

THE STORY of the work of the Sisters of St. Joseph in this diocese is too well known to be enhanced by any comment from me. It is written in the gratitude of generations of young people whose lives have been enriched spiritually by the devoted service of the Sisters of St. Joseph. Every field of Catholic endeavor has been enriched by the consecrated services of the Community. Of them, grateful Catholics may well say the words of the Magnificat—
"Ecce enim ex hoc beatam me dicent omnes generationes."
