Teenagers Find Full Program Provided At Genesee Center

Teenagers in the area of the Genesee Settlement House, 10 Duke Street, find an abundance of activity each Friday night between the hours of 7 to 11 p.m. Teenagers desire some sort of activity and relaxation each Friday after a week of school and study, and the Genesee Settlement House offers them this activity with a well balanced program.

Here the teen ager may play ping-pong or shuffleboard. He may join with a group and play volleyball or badminton. If he prefers restful relaxation, there is television. Dancing, however plays a major rôle to most of the young people. A business-meeting and refreshments round out the four hour period.

group workers, they plan their various activities. Any problems which confront them are talked over between the teens and the workers and resolved between them.

Presently the group is planning a trip. Letchworth, Old Forge, New York, Washington, and other places were suggested at their business meeting, with Old Forge winning the decision. Teens and parents will meet to decide when the trip will take place.

These young people do not devote all their time to social activities however. Several projects are undertaken such as the sale of papers to raise money for their various activities. A baked food sale was held recently to add to this fund.

GENESEE SETTLEMENT HOUSE

Baby Sitting Course
The settlement workers and teens together with the Health Association have planned a baby sitting course to be held for teens at the settlement on Thursdays after school. Classes include the following: Holding, feeding, changing the baby, safety factors, story-telling and do's and don'ts of baby sitting.

Perhaps the largest projects of the teens will be a Variety Show scheduled for June. At this time they will show the results of their rehearsals and reveal a variety of talent.

Friday Night Parties
Friday nights at the Settlement House are busy nights for the teenagers, but they are pleasant nights. Here the young people may find companionship with their own age group, activity of a wide variety, and confidence of being in good companionship and surroundings.

Parents also are content knowing this. Here the teens truly may find happiness.

Rochester's Biggest and Busiest Prescription Drug Store!

... the logical place to buy all your medical needs
