

Photo Story Of Daily Life At St. Joseph Villa

WALKING THE MARY WAY — The children like to pray at Our Lady's shrine.

BREAKFAST IN BED — Just Not empty, for Mary is sick. That is why one of the older girls is bringing her a breakfast tray.

AIMING HIGH — Up you go, and it's my turn next.

HOPE FOR THE WORLD — Children pray for themselves, their families, and for the world.

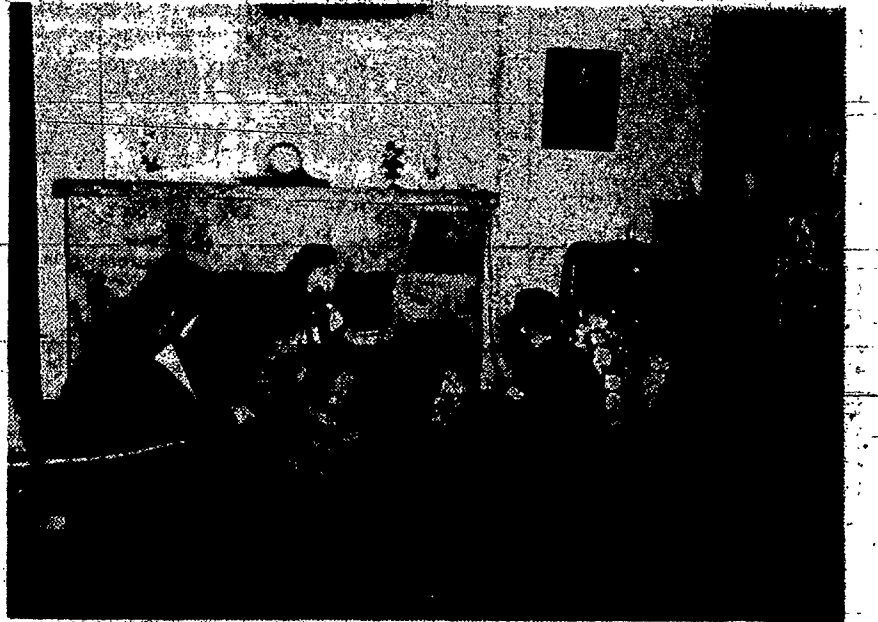

LIFE'S MINDS TRAGEDY — Don't cry, honey, maybe I can fix her for you.

LIGHT ON THE SUBJECT — When a sore throat calls for professional help, Sister is there.

PALS AGAIN — I'm sorry that I gave you that black eye.

NOT QUITE HOWDY-DOODY TIME — No picture yet! Children are anxiously ready for their favorite program.
