

Study Prepared On Church, Nazism

Berlin (NC)—The Berlin diocese has begun work on an extensive series of documentary volumes detailing the relations between the Catholic Church and Nazism between 1933 and 1945. The work will include many unpublished documents which will be called "The Catholic Church and National Socialism."

GOD LOVE YOU!

By MOST REV. FULTON J. SHEEN

These words mean: "These words mean that we cannot go empty-handed into eternity. Our hearts carry our good deeds into Christ's arms. To have a heart that carries our good deeds into Christ's arms is to have a heart that carries our good deeds into Christ's arms."

Let nothing go to waste; the increase in salary should become an occasion for thanksgiving by sending a part of it for the Holy Father's mission. It should be a token of our love for the man who bears in his body only the outer symbol of an inner reality. Our truest love should be directed to the man who is the "representative of the Lord" and offered up for the millions who are so difficult to bring to the Faith. Remember Our Lord told the story of two women grinding at the same millstone; a catastrophe kills both, but the one is saved, the other not. It is not the work we are doing that is the condition of our salvation, but the union with Christ and His Kingdom that matters.

Two readers of the column read in today's edition were: "Why should I help the African? They don't help me." Another reader says: "I don't know the gift of faith; why should I give it to someone else?" When the gift of faith is given, it is given to the person who is in need of it. When the gift of faith is given, it is given to the person who is in need of it. When the gift of faith is given, it is given to the person who is in need of it.

All things are ours if we serve Christ. For with a few minutes a day for prayer, and at the end of the month send them to the Holy Father who has to care for 120,000,000 Catholics throughout the world. He receives your offering through his own Society for the Propagation of the Faith.

GOD LOVE YOU! To J. S. for \$5. "I have been saving ten cents a day for the missions in thanksgiving for a favor received. Here is the result." To J. K. for \$5. "I am 13 years old. Please accept half of my allowance for some mission child who gets no allowance at all." To F. C. for \$15. "I am a hair-dresser and I do the hair of those who are all my friends who cannot afford to do so. I accept your gift gratefully for my services. I will try to reach persons to give me a dollar for the missions. The enclosed is a result of five weeks of 'Toni'." To M. P. for \$5. "We are a group of six girls who have a small social club. The enclosed money is part of our dues which we decided to give to the missions."

Show a WILL to give to the missions by taking out a Propagation of the Faith Society. You will be a double beneficiary; first, by receiving a fixed income as long as you live; and secondly, in the grateful prayers of those whose yearning for the propagation of the Faith is yours. Write to the Propagation of the Faith, 100 E. 17th St., New York 10, N. Y. or your Diocesan Director, Very Rev. Mons. John S. Renda, 50 Chestnut Street, Rochester 4, New York.
