

**NOTRE  
DAME**

**HIGH  
SCHOOL**

Reverend and dear Mother Magdalene,

**THE DEDICATION** of Notre Dame High School in Elmira adds another page in the history of education in the diocese of Rochester. My congratulations go out again to the Sisters of Mercy whose efforts have been so intimately entwined with the pages of this history and who now are adding a new link to the chain of their schools which encircles our diocese.

My congratulations go out also to the diocese of Rochester and, in particular, to my people in the fine city of Elmira who have contributed so well in the erection of this magnificent center of learning.

Under the guidance of Our Lady, this school will certainly lead many in the years ahead close to the Sacred Heart of Her Son.
