MOSCOW OF MALABAR

Communism is gnawing at the very vitals of the City of Alleppey on the southwest coast of India. So well organized are the communists there, that the area is referred to as the Moscow of the Malabar Coast. The CARMELITE FATHERS are toiling night and day to meet this situation. But they are terribly handicapped in this disbolic conflict between the FORCES OF GOOD and the PORCES OF EVIL. They have no adequate Chapel, or meeting hall to take care of the spiritual needs of their critically endangered community. They beg \$5,000 to build a HOUSE OF GOD;—a citadel of supernatural strength in the midst of this satunic fury. Here is a positive ap-

proach. These Missionaries are in the front line trenches. Will you abandon them? As a co-worker you share in all their Priestly efforts. NO OFFERING IS TOO SMALL. The STANDARD OF CHRIST must overcome the STANDARD OF SATAN.

NEED WE SAY MORE

MARIAMMA, MY DAUGHTER

"I could hardly get my dollar ready fast enough to send it,—and by the way, it's my LAST ONE, until next pay day "Such inspiring sacrifices! GOD'S POOR once again helping God's poor. Yes, MARIAMMA and THERESAMMA are poor. They are two girls away off on the south coast of India, who would like very much to consecrate their virginity to the SERVICE of the MASTER. They ask you to share with them the road to perfection Could you supply in suitable install-ments, \$150 a year for 2 years training? Behold my ADOPTED DAUGHTER for all eternity!

STATUE OF SAINT ANTHONY

Saint Anthony of Padua, was a Portugese Franciscan Friar and am African Missionary. According to tradition, the Little Infant once lovingly put His arms ground this wondrous Saint. He has even since been close to the Heart of Christ, and a powerful intercessor, as his clients throughout the world will readily testify. Could some devotes send us \$30 to put his STATUE in our Missions?
