

Because You Give...

CARE...COMPANIONSHIP...

COMFORT ARE HERS

Old folks are no longer neglected ... left alone to live with nothing but memories. Because you give, time is more than the tick of a clock ... the endless waiting for eternity. There are things to do ... comfortable homes where the elderly and otherwise homeless can live out their golden years in comfort, companionship and serenity.

Through your gift the Community Chest gave 221,523 days care to men and women in these homes for the aged: Baptist Home of Monroe County, Church Home, Jewish Home and Infirmary, Rochester Friendly Home, St. Ann's Home for the Aged and St. John's Home for the Aged.

And these are just six of the 75 Red Feather agencies and the Red Cross that depend on your Community Chest contribution.

Give ... Give Enough

SHOW HOW MUCH YOU CARE!
