Family Of Six Joins Church

CONVERTS TO THE Catholic faith, the Weber family is shown in St. Stanislaus Church, Rochester where they received the sacrament of Baptism on Monday from the Rev. Chester M. Klock, assistant pastor. Shown above, from left, are Father Klock, Herbert K. Weber (holding Kim Lyle, 16 months old) — Keith Charles Weber, 11; Herbert Earl Weber, 9; Mrs. Gloria A. Weber; and Barbara Lee Weber, 12. Mr. Weber, a former Lutheran, said he had thought about Catholicism for some time. "After considerable thought I decided it was the right thing to do," he said, and that it was the right step for the whole family. The Webers live at 71 Buonomo St.

Making Marriage Click

Change Attitudes By Facts

By MSGR. IRVING A. DEMANO
(Director, Family Life Bureau, N. G. W. C.)

The priest was shocked. He had solemnly reminded the delightful and delighted couple that "before this marriage you were two, now you are one." He turned around to continue the ceremony and heard the sweet little bride chirp firmly to her husband, "And don't you ever forget it, I am the one."

The attitude that marriage does not bring extra economic help to widows who are needed at home with the children is a true need. The present family allowance plan of Senator Neuberger would allow about \$5 a month for every third or more children until the age of 18. Have you a better plan? Lowering tax exemptions for each dependent will not generally help. These parents do not make enough money to benefit from these exemptions. There are also many family taxes that threaten larger families — competition and distrust, but in hidden taxes.

THE GOVERNMENT can and should interest itself in this first by objective study, then by just married women who work, but laws. We are still more individual which point out the mass usual conscious, more industry conscious, than family conscious. We of children, of men, which these have pure food protection, but working mothers set off. Would almost no family protection. One reason the Family Life Bureau favors a Family Allowance plan is to keep mothers at home. One reason we are against early kindergarten nurseries is because what a child of two, three, four or five needs most is "Mama." She cannot be supplanted.

Films Of 'Catholic Hour' TV Shows Made Available

Washington — (NC) — The National Council of Catholic Men, producer of the nationwide Catholic Hour on television, has announced that films of some of its most popular television programs now are available for general distribution.

THE PROGRAMS, which have won the praise of critics, are on kinescopes—16mm. sound film recordings of the "live" telecast—and have been in great demand.

"We consistently receive a great number of letters from schools, parishes, convents, hospitals, military installations and similar institutions, requesting kinescopes of our Catholic Hour TV programs," Martin H. Work, NCCM executive director, said. "After many months of planning and preparation, we are finally able to make the films available to all groups."

AMONG THE 31 productions just released are programs on the sacraments, moral problems, doctrine, and contemporary and traditional Catholic drama, the NCCM announced. They are available for non-profit showings only, and may not be shown on television, it was stated.

The films were produced in cooperation with the NBC-TV network.

More information can be obtained by writing to the National Council of Catholic Men here, 1812 Massachusetts Avenue, N. W., Washington 8, D. C.

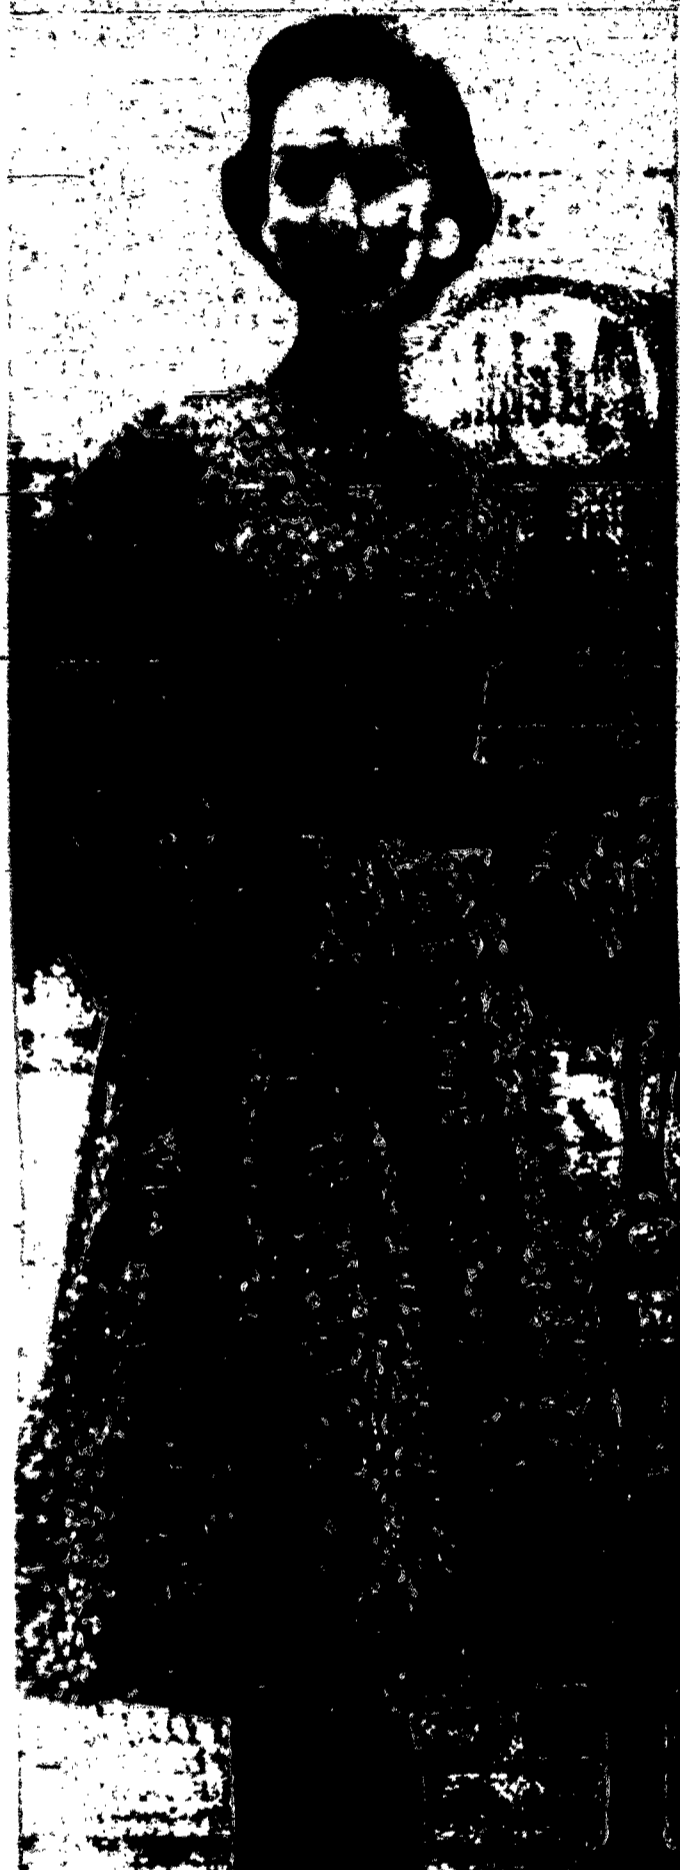

Philippines Start Catholic Daily Paper

Manila — (NC) — The first Catholic daily in the Philippines has been launched as a result of the bitter controversy in the Philippine legislature about whether the works of an anti-clerical writer should be made required texts in all schools.

The new Catholic paper is the Daily Sentinel. Catholic authorities here felt that its publication was necessary to counteract the distorted picture given by Manila secular dailies about the debate over two novels of Jose Rizal.

Abp. Groez Visits Cardinal Mindszenty

Vienna — (NC) — Reports reaching here say that Archbishop Joseph Groez of Kalocsa, recently allowed to return to his post by the Reds, has visited Cardinal Mindszenty, Primate of Hungary. The reports say that Archbishop Groez's main concern at present is the settlement of the Cardinal's status. The Cardinal, following his release from jail, is now confined by the Communists to the village of Puspok Szent Lazzlo.

SINKING FEELING

In the Bishop's House Chapel they professed the Faith, according to the form dictated to them, in the presence of Bishop Mar Alkanas and the Vicar General, who were helping them to make the decision. In India, to take the step from Orthodox Jacobite to Catholic is not easy. Age-old traditions are very hard to break, and reason is often marked by such sacrifice and sacrifice. We cannot allow these good people to waste under the sinking feeling of abandonment as the troubled waters of conversion. We must rapidly dispatch an anchor of hope, by giving them the minimum, a modest \$2,000 Chapel. They will be eternally, prayerfully grateful. Their Orthodox neighbors have two magnificent churches. Here is an excellent opportunity to memorialize you and to remember also the living members of your family. Our smallest gift will be most precious.

ALLOW THE HOLY FATHER TO DISTRIBUTE YOUR CHARITY.

PLANT A SHAMROCK

It is said that St. Patrick used the three leaf shamrock to illustrate the Blessed Trinity. This doctrine of three persons in one God is the basic in our Catholic teachings. However, we are very heart of Priests, Brothers and Sisters. We must prepare LAY POSTERS, who will teach the natives. \$59 will provide one CATECHIST. Will you PLANT A SHAMROCK in the Middle East?

CORPUS CHRISTI

"Let the praise be loud and high: Sweet and revived in the joy. Felt today in every breast." Corpus Christi means Body of Christ, and here recognizable are love and joy in the first Eucharistic hosts of our Near East children. Wouldn't you like to participate in their heavenly bliss, by clothing for FIRST HOLY COMMUNION, at a cost of \$18, one of our many orphaned children. Do it out of love for the Blessed Sacrament!

HANDS OF CHRIST. "Thou, who feedest us below. Source of all we have or know." When Christ walked through our Near East deserts, He multiplied loaves and fishes. Will you be the hands of Christ to bless us now, as we try to FEED THE HUNGRY, with 410 GOOD PACKAGES in the same area. Write for gratitudes, we will send you a FREE OLIVE-WOOD ROSARY and FLOWERS from the HOLY LAND.

GO ON, IN GOD'S NAME
Those words were said to St. Augustine of Canterbury by St. Gregory the Great. And he continued, "The greater your hardships, the greater your crown." Those who adopt boys for the Priesthood aid gifts for the Sisterhood could say the same to their spiritual offspring. Will you say "Go on, in God's name" to CHERIAN and ORMAN, seminarians in Trichinopoly, who are pressed with many hardships and glad to send them each \$600 in full, or \$100 a year for six years? Or to Sister-Sisters LITTLE FLOWER or GORGES Mary Immaculate in Shertalloy and Baghdad. Each timidly requests \$300 complete, or \$150 a year for her two years of training. DOPT A SON or DAUGHTER-IN-CHRIST and SHARE THE CROWN.

GOD IN YOUR WILL? THIS IS THE HOLY FATHER'S WORK.
