Anti-Integration Bills Hit Louisiana Catholic Schools

Baton Rouge — (NC) — Bills aimed at crippling schools which attempt to operate on a non-segregated basis have been introduced into the State Legislature here.

If the bills are passed they will strike a severe blow at Catholic schools throughout the state.

THE MEASURES call for the withdrawing of property tax exemptions, the prohibiting of state recognition of graduation certificates and the cutting off of state aid to schools not functioning on a segregate plan.

A statement from Archbishop Joseph F. Rummel of New Orleans on whether or not the entire school system in the archdiocese will become racially integrated next September is expected in the reasonably near future.

The measures designed to preserve racial segregation in Louisiana have been introduced in the first three weeks of the legislative session here. Already adopted is a resolution declaring the U.S. Supreme Court decision a violation of the United States and Louisiana constitutions. This state is the sixth southern state to adopt such a resolution.

The introduction of the constitutional amendment to take away property tax exemption from all schools and colleges permitting racially integrated classes was a surprise to the Joint Legislative Committee on Segregation which steers anti-integration bills through the legislature.

INTEGRATION is already in effect in the minor and major seminaries of the New Orleans archdiocese and at the state-controlled Southwestern Louisiana Institute in Lafayette. It exists to some degree at Louisiana State University here and at Xavier University, New Orleans. The bills which would cut off

free school books, lunch funds and other forms of state assistance and forbid state recognition of diplomas from elementary and secondary schools are companions to the property tax measure.

A spokesman for the State Attorney General's office speculated that the tax exemption and recognition of diploma bills might be contrary to the Federal constitution. But it is evident that only long, costly law suits will determine their real status if they are passed.

Bills To Penalize Schools Hits Snag

New Orleans, La. — (RNS) — The Senate education committee reported unfavorably on two bills aimed at penalizing Catholic and other private schools in Louisiana that permit racial integration.

Sponsors of the bills immediately said they would try to force the measures out on the Senate floor through a minority report.

One of the bills would amend the state constitution to withdraw tax exemption from schools that do not enforce segregation. The other would deny them free school books, lunches or any other form of state aid. It also would forbid state colleges or universities to recognize a certificate of graduation from any school that mixes white and Negro pupils.

KKK To Ride Again In South

Baton Rouge — (NC) — Simultaneous with the move of Louisiana legislators to pass laws striking at Catholic schools which adopt integration is the announced reorganization in the state of the Ku Klux Klan.

The Ku Klux Klan, after having received its state charter, announced its reorganization and stated that members must be "white, Protestant, native-born Americans."

The Klan, it was said, plans to wear hooded robes and have the fiery cross as its symbol. Apparently its members will be known, for this state passed in 1924 a law requiring a full list of membership from all state-wide organizations. At that time the law was used to outlaw the Klan.

School Buses Held Exempt

Harrisburg, Pa. — (RNS) — A bill to exempt from regulation by the Pennsylvania Public Utility Commission buses that carry parochial or Sunday school children to and from classes was signed into law here by Gov. George M. Leader.

The measure stipulates that to qualify for exemption the buses must either be owned by the church or school in question or under charter to them.

Booklet On Vatican Stamps Published

Newark, N. J. — (NC) — A new booklet detailing the history of Vatican stamps has been published here by the Washington Press.

Written by Ernest A. Kehr, the 48 page brochure contains all available information pertaining to the stamps of Vatican City from the first issue in 1929 to the present day.

His Eminence Francis Cardinal Spellman, Archbishop of New York, wrote the forward to the booklet.

Pastor Of The Pastures
Sacred Heart, Nebraska — (NC) — Father Paul J. Frank, O.M.I., pastor here of Sacred Heart Church, whose mission covers some 1600 square miles in Western Nebraska's drought-stricken counties prepares to take off in a plane to bless the wheat-fields and cattle ranches of his parishioners — 20 families in Hayes County.

House OK's Payment To Vatican On Bombings

Washington, D. C. — (RNS) — The House passed and sent to the Senate a bill to authorize payment of \$964,199.35 to Vatican City in full settlement of all claims and damages arising out of the accidental bombing of the Pope's summer residence at Castel Gondolfo during World War II.

The measure was sponsored by Rep. John W. McCormack (D-Mass.), House majority leader. An identical private claim bill was sponsored by Rep. Joseph W. Martin, Jr. (R-Mass.), House minority leader.

Nazareth College Graduation 'Love Truth In Itself' Seniors Told

(Continued from Page 1) Awards for graduate study in Physical Chemistry at the University of Wisconsin to Margaret Frisch and Mary McGowan, were announced.

Graduates awarded departmental honors were as follows:

Department of Biology: Joan Meyers, daughter of Mr. and Mrs. John B. Meyers, Alexander, cum laude.

Department of Business: Beverly Hefer, daughter of Mr. and Mrs. Anthony Hefer, 224 Laurelton Road, Rochester, cum laude.

Department of Chemistry: Margaret Ann Frisch, daughter of the late Mrs. Lillian Frisch, 38 Harris Street, Rochester, magna cum laude.

Department of English: Barbara Belmont, daughter of Mr. and Mrs. Arthur F. Belmont, 377 Hazelwood Terrace, Rochester, cum laude in English; also cum laude in Philosophy.

Department of Latin: Mary Lee Bishop, daughter of Mr. and Mrs. Raymond Bishop, 218 Spring St., Groton, New York, magna cum laude in Latin; also cum laude in Philosophy and theology.

Department of Music: Shirley Abbottson, daughter of Mr. and Mrs. William Abbottson, 185 Green Street, Boston, Mass., magna cum laude.

Department of History: Mary Jo Cupolo, daughter of Mr. and Mrs. Anthony Cupolo, magna cum laude.

In addition to honors in their special field of study, honors in philosophy were awarded to Barbara Belmont of Rochester and Mary Lee Bishop of Groton, N. Y. Miss Bishop also was awarded a Magna cum laude degree in sacred theology.

Carol Sanderson, Rita Zlotnik, Mary Lee Bishop, Margaret Frisch and Mary McGowan were elected by the faculty to membership in Kappa Gamma Phi, national honor society of Catholic women's colleges.

Stating that "more important than knowledge is the love of knowledge," Dr. Smith warned, "Let us not sell the intellect short. To love knowledge is to love our last end, namely God."

THE CRISIS in intellectual leadership, he told the graduates, "has been favored by our pragmatic commitment which has led higher learning away from its great liberal tradition; to pursue knowledge for its own sake."

He saw blessings in the fact that Nazareth graduates were held firm to the liberal arts as held in liberal atmosphere and called upon them "to serve Christian culture" by doing what they can to revitalize the liberal arts against the present horizons of pragmatism.

SEVENTEEN of the 84 young women who received diplomas at Nazareth commencement exercises were cited for special academic honors.

In addition to honors in their special field of study, honors in philosophy were awarded to Barbara Belmont of Rochester and Mary Lee Bishop of Groton, N. Y. Miss Bishop also was awarded a Magna cum laude degree in sacred theology.

'Pray For Peace' Postal Bill Pushed

Washington, D. C. — (RNS) — The Senate Post Office Committee approved and sent to the floor a bill authorizing major post offices to use a special "Pray For Peace" postmark on all mail.

Rep. Louis C. Rabaut (D-Mich.), sponsor of the measure, said Senate approval is virtually certain. The bill previously was passed by the House.

DR. LINTZ Told the young women that Nazareth College has never limited her efforts to specialized vocational formation. He said that in their four years of study of the theology and philosophy they have used the light of reason and of Faith "to learn what you are, what is your relation to God, to man to the world of things."

The 84 graduates were reminded that the tradition of education in religion, the true religion, is the foundation of the Nazareth College program.

In closing, Dr. Lintz admonished the students to "stay close to Our Lord in the Blessed Sacrament, the Christ whom you have come to know and love so well at Nazareth."
