Cuban Claims Stigmata, Said Case For Doctor

Havana — (NC) — The case of a young Cuban woman who claims to have supernatural marks resembling the stigmata is apparently of pathological, not supernatural, origin, according to the secretary of His Eminence Manuel Cardinal Arteaga y Betancourt, Archbishop of Havana.

Msgr. Raul del Valle noted that the Church has maintained "an attitude of great prudence and reserve" in the case of Mrs. Irma de Izquierdo. He said that on the basis of medical reports by Dr. Diego Gonzalez Martin, however, his personal opinion is that Mrs. Izquierdo shows none of the conditions for "a genuine stigmatization."

"I believe it is a matter for doctors, not one for theologians," Msgr. del Valle said.

Mrs. Izquierdo gained much publicity when she embarked on foot for the national shrine of Our Lady of Charity of Cobre, near Santiago, bearing a large cross.

Historic Mission Given Fund Grant

Santa Barbara, Calif. —(RNS) —A $250,000 grant from the Fleischmann Foundation has made possible the continuation of restoration work on historic old Santa Barbara mission, founded Dec. 4, 1786.

It was the first mission established in California after the death of Padre Junipero Serra, famed Franciscan missionary.

The grant will make it possible to restore the second quadrangle, including a chapel on the site of the original church. Two earlier grants by the same foundation totalled $215,000.

The mission already has been largely restored and its external appearance approximates that of its historic period, according to the Rev. Noel F. Moholy, O.F.M. executive director and treasurer of the restoration project.

LEPROSY Eats Away Hearts, Too

CARMEL, 15, whose leprosy doesn't show yet, is heartcold with dread of the way leprosy has mutilated the older patients around her.

MABI, 24, is heart-sick with worry over his wife and five children who have been unsupported since the day his leprosy was discovered

BUKOBA, 21, is heart-broken with fear that she may have given her leprosy to her own babies before they were taken from her.

These are but three of the millions suffering from terrible leprosy in mission lands. Each has gnawing heart-ache, because of leprosy.

The missionary can now touch these hearts with the mercy of Christ and fill them with Christian hope, for leprosy is curable with the drug DDS. Even the worst cases can be improved.

Please send whatever YOUR heart tells you, for DDS and the other medical needs of the missions, to
