Corning Graduates Cited For Scholastic Honors

Corning-Fifteen of the 88 graduates of the three local parochial schools were cited for scholastic and school honors by being presented prizes at the annual eighth grade com-

mencement exercises held in the three Catholic churches. St Mary's. St. Patrick's and St. Vincent de Paul's, last Friday Abbot Asks The class of 37 receiving diplo-

diate postwar years.

Most of the priests are believed to have been murdered by the communists, and Italians generally consider them martyrs for their faith.

Education Only

When Dr. Karl Compton, the famous physicist, was in India some years ago, his sister was having her house wired by a native electrician who constantly came to her for instructions. "Where would you like the wires? How high? How many plugs? Do you want twoway switches?" and so pn. This so irritated her that she turned to him one day, and said, "You know what I want; just use your common sense

ana do Ita To which he politely made this professional remark: "Madam, common sense is a rare gift of God. I have only a technical aducation."
