### Rochester Priest Safe In Israel When Soldier Fires Into Crowd

The Rev. Joseph P. Brennan of Rochester who was present in Jerusalem Sunday when a Jordanian soldier went berserk and opened fire on a group of delegates to a congress of the Israeli Archaeological Society is safe, a cablegram from him informed relatives on Monday.

Father Brennan was in Jerusalem for extra study at the Biblical Institute after a party of 30 seminarians from the Biblical Institute in Rome had left about Sept. 1.

Son of Mrs. William P. Brennan, 1489 Dewey Ave. and a nun, 1489 Dewey Ave. Father Brennan left Jerusalem on Tuesday to return to Rome. There he will spend another year in study at the Biblical Institute.

AMONG THOSE wounded in the Jerusalem attack was the Rev. Robert G. North, S.J., American Jesuit archaeologist on the staff of the Biblical Institute in Rome who had directed the tour in which Father Brennan took part.

The courage of a French priest was credited with the saving of lives of several persons during the firing. He is the Rev. Jean Roger, an Assumptionist belonging to the monastery of Notre Dame in Jerusalem according to the Religious News Service.

When the shots rang out among 100 gathered around pre-Herodian ruins at Ramat Rahel, Father Roger ran to the aid of the wounded and carried several persons to safety. Three Israelis were killed and 18 wounded.

The seminarians of which Father Brennan was one had made a tour of the Holy Land and other Near East points of interest including Egypt, Sinai, Lebanon, Israel and Jordan.

ORDAINED in Rome Dec. 8, 1954, Father Brennan had previously studied at St. Andrew's and St. Bernard's Seminaries. In the summer of 1955 he returned to visit his mother, other relatives and friends and then returned to Rome for graduate studies in Sacred Scripture at the Biblical Institute.

### 75th Anniversary Bp. Kearney Endorses Red Cross Jubilee

Rochester Chapter of the American Red Cross will celebrate the 75th anniversary of its founding on Oct. 8. A Citizens Committee has been named by Mayor Peter Barry to organize a three day celebration in connection with the jubilee.

His Excellency Bishop Kearney has given the celebration his endorsement.

Highlighting the celebration will be a television show, a dedication of the "Clara Barton Trail" between Rochester and Danville and a luncheon at the Chamber of Commerce.

THE ROCHESTER CHAPTER is the second oldest in the country, having been founded only six weeks after the Danville Chapter. The founding of these two chapters was the initial spark that led to the present 3,700 Red Cross chapters throughout the United States.

Clara Barton, founder of the Red Cross, started the organization to provide speedy and efficient aid in times of national and international disasters.

The Rochester Chapter participated in the first relief operation of the newly organized American Red Cross. In fact, it was to aid the victims of the Michigan forest fires of 1881 that the chapter was organized.

SINCE THEN the chapter has aided in both local and distant disasters in both war and peace. Epidemics, floods, fires and other disasters have been handled successfully during the past 75

years by the Rochester Chapter. In addition, the chapter has set up a continuing educational program to include classes in water safety, first aid, nutrition, nursing service, and blood donor service.
