Capuchin Marks 80th Year, 55 Years As Priest

Geneva — Father Christopher, OFM, Cap., of the Immaculate Heart of Mary Seminary, Lockland Rd., celebrated his 80th birthday Monday, Oct. 29.

Despite his advanced age, Father Christopher is in good health and very active. He has spent the last six years in Geneva as organist and Latin professor at the Seminary.

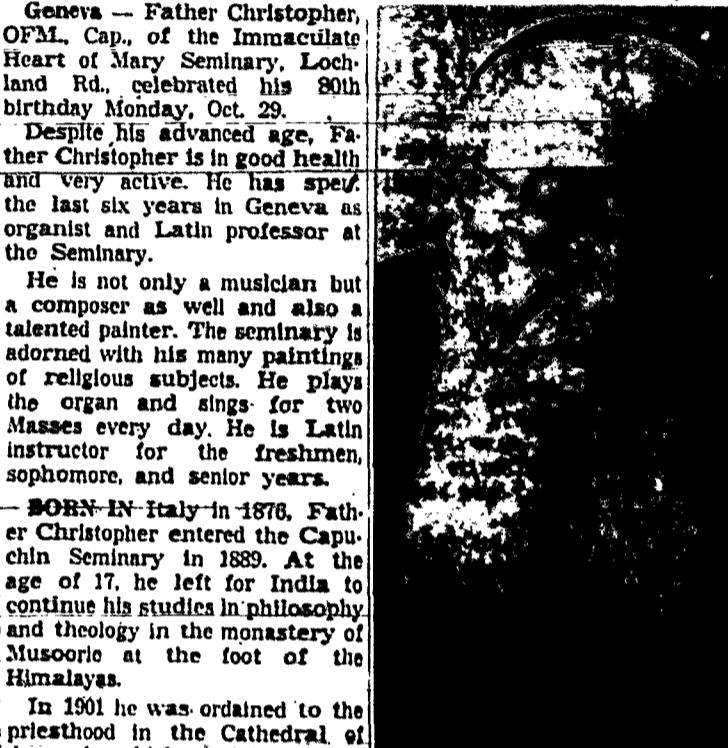

He is not only a musician but a composer as well and also a talented painter. The seminary is adorned with his many paintings of religious subjects. He plays the organ and sings for two Masses every day. He is Latin instructor for the freshmen, sophomore, and senior years.

BORN IN Italy in 1876, Father Christopher entered the Capuchin Seminary in 1899. At the age of 17, he left for India to continue his studies in philosophy and theology in the monastery of Musorie at the foot of the Himalayas.

In 1901 he was ordained to the priesthood in the Cathedral of Agra, in which Archdiocese he later became superior of the mission. After 24 years in this mission, he came to America in 1928.

From a life spent among a primitive people to whom he had given the best years of his life, he now came to live with a people who are in the forefront of all modern progress. From a mission of high and delicate responsibilities, he came to land his help for the cultural and religious formation of young aspirants to the priesthood in the Capuchin Order.

Now at 80 years, Father Christopher still has what his associates call "A powerful reserve of heavenly virtue to carry on his teaching. We can only wish him with all our hearts, 'Ad multos annos.'"
