Caldwell and Cook Announce New Custom-Home Section

Jerry Cook (left) and Jack Caldwell, ex G. I. combine who have developed Lakeview in Our Mother of Sorrows Parish, Greece, open new section today.

Caldwell and Cook Greece home-builders announce the opening today of Little Creek Circle, a wooded and creek bound section comprising 16 huge lots on which traditional homes built to customer specifications are planned. Then most exclusive Lakeview development, Little Creek Circle will answer the demand for homes in the $20,000 to $30,000 price range situated on one of the best and most private natural building sites in the area.

On a visit last week to the administrative offices of Caldwell and Cook, a representative of the Courier Journal real estate section commented to Jack Caldwell that the initials "J. C." seemed to be a favorable symbol for his association with Jerry Cook.

Caldwell smiled and observed, "We've been fortunate in many ways but as far as the initials . . . Just Coincidence."

The builders' most extensive efforts in the Greece area to date have been the development of their swiftly growing 500-home Lakeview tract, just off Latta Road, between Dewey and Lake Avenues. These homes are priced from $16,000 to $52,000 and represent a wide variety of traditional styles in ranches and two-story Cape Cods.

The building of better-price-class homes is not new to the Caldwell and Cook organization. They have developed a great percentage of the better homes in the Tyringham, Scotch Lane and Oak Ridge sections of Irondequoit.

Little Creek Circle offers many advantages to future home-owners in Our Mother of Sorrows Parish, particularly those with large families. Among the many features offered are: the combination family room - walk-out basement; General Electric home appliances; individual building specifications; and huge wooded and creek lots. With built-in customer requirements, these units offer many fine opportunities for personalizing each home.

Little Creek Circle will be well marked by signs on the Lakeview tract. Specific information can be sought at the builder's furnished Towne House model from 2 to 9 p.m. every day of the week.

Culver Furniture Features Early American Anniversary

Following their usual custom, Culver Furniture, Inc., owners will give away a beautiful knee hole desk to some fortunate visitor to their galleries during the "Anniversary Days", closing at 9 p. m. Saturday. Special values are offered in every department.

"Vivid colors seem at home in sunny climates, but are likely to appear gaudy when the leaves fall in a northern region."

Bishop Kearney Urges Samaritan Example In Hospital Drive

The $1,000,000 campaign for St. Joseph's Hospital, Elmira, is in full progress after workers were spurred on to victory by His Excellency Bishop Kearney speaking in Mark Twain Hotel at the formal opening, last week.

At a dinner attended by about 500 guests the Bishop of Rochester likened the drive workers to the Good Samaritan.

The Bishop said the pouring of oil and wine into the wounds of the man by the wayside by the Good Samaritan was like the work in the hospital today, which pours "oil and wine with 20 centuries of technology behind it into the wounds of the sick."

Christ, "The Great Healer," was "touched with compassion" at the spirit shown by the Samaritan, he said.

DRIVE WORKERS thus may please the Sisters of St. Joseph and medical men of the hospital and "those bound to the hospital with debts of gratitude, he said, but "what is this to pleasing Almighty God?"

Referring to the trouble in the Holy Land today, the Bishop said, "It is sad to think that in this day human life is so cheap and human suffering so common because of man's inhumanity to man."

He explained that Christ was always pained at the sight of human suffering and used the parable of the Good Samaritan to answer the question, "Who is my neighbor?"

At the conclusion of the story, Christ added, "Go thou and do likewise." the Bishop said, and he also appealed to the group to go and do likewise.

THE BISHOP was escorted into and out of the hotel by the color corps of Elmira Assembly, Fourth Degree, Knights of Columbus.

Judge Daniel J. Donahoe, general chairman of the drive and master of ceremonies at the dinner, said the last fund drive for St. Joseph's Hospital was in 1927. Since then, he said, most of the expansion at the hospital has ben financed by "the benevolence of a few, most notably the late Edward J. Dunn."

A $200,000 mortgage was paid off, he added, and 'today there is no red ink on the books, although the margin of profit is slim." But, he said, no hospital can finance expansion by its profits and outside help is necessary.

THE HISTORY of the hospital was outlined by Atty. John E. Sullivan, chairman of the hospital's board of directors and by Sister Margaret Adelaide, hospital administrator. The administrator also detailed the construction planned if the drive is successful.

Dr. William M. Kelly, president of the hospital's medical staff, said expanded facilities are needed to take advantage of the "tremendous advances in medicine" in the past 30 years.

He said the obstetric, pediatric, laboratory, X-ray and dietary departments must be expanded and sections added for the care of those with prolonged or chronic illness of old age.

The invocation was given by the Rev. Philip E. McGhan, hospital chaplain and member of the hospital's church cooperation committee. The Rev. Waldo H. Kihlstrom, pastor of the First Presbyterian Church of Horseheads, pronounced the benediction.
