

### Children Register For Camp

Although the 1957 camping season at Camp Stella Maris is more than six months away, the camp office reported today that a large number of former campers have registered for next summer.

The boys and girls who attended camp last summer were given a special registration card as they left camp and parents were advised that this advance registration was valid only until Dec. 31.

PARENTS of the 1956 campers who have not yet registered their children by this special registration have only two weeks to take advantage of this courtesy.

Beginning Feb. 1, 1957 registration is open to the public on a "first come first served" basis and former campers must take the risk of losing place to new campers. Even though Camp Stella Maris has expanded, each year registration fill earlier for the popular Diocesan Camp on Conesus Lake.

Boys (ages 8-15) and girls (ages 8-14) who are coming to Stella Maris for the first time may register after Feb. 1 at the camp office, Columbus Civic Center. Registrations cannot be received over the telephone but a 1957 registration card and bulletin will be sent to parents who write or call for it.

INQUIRIES should be addressed to Camp Stella Maris, 50 Chestnut St., Rochester 4, New York—BAKER 5-7400.
