POPE TO PEOPLE

Each year at this time we relay to you His Holy Father's message to us who have not been enrolled or not renewed their enrollment. Your MEMBERSHIP OFFERING is a precious charity to our missionaries. (1) It expresses again your wholehearted loyalty in sharing more of his worldwide mission burden, and (2) It enables him to answer many urgent mission needs for which there is no time to appeal.

Enrollment for individuals is yearly, \$1. Personally, \$2. Both living and deceased may be enrolled. Families (includes husband and wife and all children, living and deceased) OR mother and father and all brothers and sisters may be enrolled. Families in the Near and Middle East include, in addition, living members can gain a literary indulgence on 53 days through the year, and on the day of their enrollment.

Your MASS OFFERINGS are a precious charity to our missionaries. Many have no other support. Masses are said almost immediately.

AMACHAKARYA is a village of separated Christians in India, where a Catholic mission was just opened by Bishop Athanasius, shepherd of the Catholic rite that is the counterpart of their own. At once 125 came into union with Rome; among them two university graduates—without doubt the most influential persons in such a village. Many more are interested. But to leave their schismatic rite and join Rome, they will have to give to bury their dead new house of worship. He checks help to buy ground (\$1,000). Cardinal Spellman's chapel (\$2,500).

EGYPT'S CATHOLIC PRESS IN PERIL
Observance of Catholic Press-month in February highlights the importance of a request forwarded to us from Holy Father, to support their illustrated monthly, now in its seventh year, because of a \$756 yearly deficit in the past two years. Won't you save this work for Egypt's Catholic young people?

OH JOHNNY! Yes, we received your plea, forwarded by the rector of your seminary (Siro-Chaldean) in Mosul, Iraq, to the Holy Father, asking us to find a friend, who legend you the \$100 needed for your support each year during your six in training for the priesthood. We are sure a kind soul will befriend you by sending us this year's sum in any convenient amount. We're also pleading for another Johnny in India who is in the same fix.

RUFUS AND ROSULA
This isn't a play on words; but two young girls in India who have just begun two years of training with the Poor Clares at Karavannur. We need \$150 each year for their keep and training. Won't you "adopt" one of these poor girls by sending us this year's sum for her. She'll bless you forever in her prayers.
