

\$966,740.51 Mark Passed In St. Joseph's Campaign

Contributions now total \$966,740.51 in the St. Joseph Hospital, Elmira building fund campaign within \$35,000 short of the \$1,000,000 goal, it was reported at a board of directors meeting Thursday of last week.

The campaign office is located next to the hospital switchboard and is expected to remain open for several months. The telephone number - 36574 - will be used in the new site as was used in the Baldwin St. drive headquarters.

Attorney John E. Sullivan, board chairman said members are confident that the goal will be reached as several large corporations have yet to report their contributions.

SEVERAL OF these corporations' directors meet out of town, he explained, and have not had a chance to consider their pledges. He expects more pledges in March.

The figure announced represents an increase of \$35,723.18 over the \$931,017.33 reported at the closing campaign meeting Jan. 22.

The money will be used to build three new wings on the hospital and to renovate the floors in the present buildings.

Work is proceeding on the installation of deep therapy X-ray equipment. Hospital renovation plans still are incomplete.
