Employes In 2 Elmira Hospitals Get Raise In Pay

Employees of St. Joseph's Hospital and the Arnot Ogden Memorial Hospital will receive wage and salary increases totaling $300,000 this month as the result of a job re-evaluation last Fall carried out by Rochester Regional Hospital Council in cooperation with business and industrial wage and salary experts.

The increased budget for wages and salaries will result in a general increase in patient room rates of $2.00 a day, effective February 15, 1957.

According to Joseph M. Henry, Executive Director of the Council, the salary study was undertaken in an attempt to raise the pay scale of hospital employees to a level corresponding with jobs in similar service-type organizations.

"For several years hospital employees have, in effect, subsidized the operation of the hospitals by continuing to work for less than they would have received elsewhere. No group of employees deserves a pay adjustment more, and no group deserves greater thanks from the community," Henry said.

MORE THAN 800 employees will be affected by these adjustments. The new pay scale covers nursing personnel, maintenance employees, kitchen and cafeteria employees, laundry and housekeeping personnel, technicians and clerical staffs.

The local hospitals were careful to point out that the new wage and salary program would not provide an across the board increase for all hospital employees, but that wage adjustments would vary in amount. Some employees will receive substantial increases, others will receive less, and the salaries of a few will remain unchanged.

Adjustments will be made in accordance with the results of the re-evaluation study made of Hospital wages and salaries and those of comparable jobs in other service-type organizations.

This pay adjustment will necessitate the first general increase in hospital patient room rates since August 1955. Ward rates per day will increase from $11.00 to $13.00. Semi-private room rates per day will increase from a $12.25 - $14.00 range to $14.25 - $16.00 range; private rooms per day will increase from a $14.00 — $20.00 range to a $16.00 — $22.00 range - and nurseries from $5.00 to $7.00 per day. Henry stated that the Hospital Council believed these rates still provide a "real buy".

"Where else could you receive around the clock professional nursing care, room, and meals served in the rooms for a similar expenditure," Henry said.

Bolivia Indians Learn Witchcraft Offers No Cure, Says Fr. Gourneen

Caiacala, Bolivia — Missioners in the Maryknoll mission area here find that many Indians still resort to witchcraft in an effort to cure sickness or affliction.

FATHER COURNEEN,

"Witchcraft isn't a rarity here," reports Father James R. Courneen, Maryknoll Missioner from Rochester, N. Y.. "This is due to the long years the area has been without priests. But fortunately, with the arrival of more missioners its popularity is weaning rapidly."

Recently a local witch was called in to cure an Indian child sick with pneumonia. "It's the witch's job to extract the sickness from the infirm and generously pass it on to someone else," says Father Courneen. "She looks like a refugee from a Li'l Abner comic strip and she has a set routine she'll give depending on the price paid.

"Usually the woman sets up an altar of sacrifice. Then she prepares a salve to rub on the patient that you'll never find in the latest edition of 'What to Do Til the Doctor Comes.' Naturally all the time, she has a caldron boiling up a horrible concoction that would stifle the nostrils within a five-mile radius. Finally it is poured into a series of small jars and left at various crossroads at night.

"There's more to this witchcraft, especially if you're anxious to heap some evil on a neighbor or if you're looking for that elusive boyfriend, but the crusher to this story is that naturally the child wasn't cured and some sensible member of the family called a priest in the morning."

Couple Marks Golden Jubilee

Corning — Mr. and Mrs. Raymond M. Searles of 217 Oneida Pl., last Saturday evening celebrated their 25th wedding anniversary, and at the same time Mrs. Searles' father, William F. Holmes, celebrated his 82nd birthday. The double affair was observed with a family dinner.

Mr. Holmes is one of Corning's best known musicians and is still active as an instrumentalist.

Mrs. Searles is the former Ellen Holmes. She and Mr. Searles were married in Corning at St. Mary Rectory by her cousin, the Rev. Thomas E. Fernan, now at Angola. Attending them was her sister, Miss Marian Holmes, instructor of junior mathematics at Corning Free Academy. Mrs. Searles' twin brother, John, who died here in 1954, was best man at the wedding.

Mr. Searles is an industrial engineer at Corning Glass Works and is in partnership with Milton Crane in the Crane Insurance Agency.

Air Force Chaplains Conduct Missions

Tokyo — (RNS) - Two Catholic Air Force chaplains have traveled more than 400,000 miles during the past eight years in a modern version of the old circuit-riding preacher.

Instead of riding the trail on horseback the priests, Lt. Col. John D. St. John and Lt. Col. Stephen O'Connor made the rounds from base to base in everything from piper cub plane to jet aircraft. They are now touring major Air Force bases in Japan, giving missions and retreats wherever they go.

The chaplains estimate they have preached to more than half a million Air Force members and their dependents since they were both recalled to active duty in 1949.
