

German Cardinal To Fly To North Pole

Cologne, Germany — (NC)— His Eminence Josef Cardinal Frings, Archbishop of Cologne, may be the first bishop to cross the North Pole when he sets out by air for a three-week visit to Japan as the guest of Archbishop Peter Tatsuo Doi of Tokyo.

Cardinal Frings will fly to Tokyo on the Swedish airline route from Europe across the North Pole area.

Faithful Resist Red Terror In Manchuria

Hong Kong — (NC)—The faith of Manchuria's Catholics is still strong despite years of persecution by China's communist government, a recent arrival from Harbin has reported here.

He is Basil Sosnowski, a Polish national, who served as sacristan of St. Stanislaus church in Harbin, second largest city in Manchuria.

MR. SOSNOWSKI brought news of the four missionary priests in Harbin, two of whom are in jail.

He said that the two Polish

priests there, 74-year-old Father Alexander Eyssymont and Conventual Father Gratian Kolodziechik, expect to get their visas soon and then plan to leave for Hong Kong.

Fathers Kim and Yen, the two Korean priests, are both in a prison. The two Polish priests were not arrested but were confined to the Polish Church of St. Stanislaus.

MR. SOSNOWSKI stated that there were 10,000 Catholics in Harbin, most of whom continued to resist the Red government's

efforts to force them to join the "progressive Catholic Church."

The Church of St. Stanislaus was allowed to remain open because its services were for Polish nationals only. Many Chinese Catholics, however, would slip in and attend Mass in spite of the difficulties they had to expect.

Speaks From The Cross

(Continued from Page 1)
...the night of her dying... Mary stands silent and... a symbol of unshaken... faith in this, the world's... darkest day.

CHRIST KNEW HIS Mother would come to Him—how an... Calvary. From His cross He... saw her standing with His be-... loved friend and apostle John.

These two—Mother and... apostle—are Christ's own... and in them He sees all those... who will ever love Him, all... those who will love Him even... though the road leads to Cal-... vary and the cross.

Through blood-filled eyes... Christ looks at John but His... words are for Mary—
"Woman, behold thy son." Then... Jesus speaks to His disciple... about His eyes are for His Moth-... er: "Behold thy mother."

From the cross the dying... Jesus provides for His Mother... what she may not be left alone... in the world after His death... Christ intrusts His Virgin... Mother to the protection of His... Virgin Apostle, Guardianship... of another is often a burden... but for John this new role is... his honor and a privilege. From... this moment John will take... Mary into his own care.

BETWEEN MARY and John, Christ establishes a new... bond. This is the intimate re-... lationship of mother and son... and son and mother.

The words of Christ spell out... a new role for Mary, the role... of spiritual Mother of all men... Christ's Mother now becomes... the Mother not only of John

but of all those who like the... Apostle will love Christ.

At Bethlehem Mary gave... birth to Christ without pain... Here on Calvary, through the... pain and sorrow of the cross... Mary gives birth to all those... who will be called "the sons... of God." Here Mary who shared... so intimately the sufferings of... her Divine Son begins to share... the graces of His victorious... sacrifice.

Here on Calvary Mary be-... comes the spiritual Mother of... Christ's own, of all those who... will be born anew in Christ's... grace, of all those who will be... born "not of blood, nor of the... will of the flesh, nor of the... will of man, BUT OF GOD!"
(John 1:13).

CHRIST'S WORDS from... the cross to His Mother decree... the hour of her "Second An-... nunciation." Once in Nazareth... Mary heard the Angel Gabriel... announce to her that she was... to be the Mother of the Sav-... ing Son. Now on Calvary, not an... angel, but Christ Himself an-... nounces Mary's new role of... motherhood—the spiritual... motherhood of all men. Here... the dying Christ entrusts Mary... with a new title which shall be... heralded from all generations... This is the title of "Our... Mother."

The mystery of Christ's bound-... less charity to His friends is... revealed in His last words from... the cross to His Mother. Once... again on Calvary "Love speaks... from the cross."

From the cross, Christ speaks... not only to Calvary but to all... ages... "Behold thy Mother!"
