### To Be Honored Father Menard

A marker will be erected to pay tribute to the pioneer missionary work of Father Rene Menard and Bishop Frederic Baraga two centuries apart in the Upper Peninsula of Michigan by the Michigan Historical Commission.

Father Menard was resident missionary of the first chapel in the area of the Rochester diocese erected at Great Gully

The marker will be erected at Baraga State Park on the west shore of Keweenaw Bay, with dedication set for this summer.

Father Menard's heroic missionary efforts were in 1660 when he established the mission of the Holy Spirit for the Hurons and Ottawa on the shores of Lake Superior. Bishop Baraga opened a Catholic mission in the

Brook, three miles south of Union Springs, New York in August 1656, according to Alexander M. Stewart in the Courier Journal diocesan review of Oct. 23, 1934. A bridge near Auburn was given the name of Father Menard through the efforts of the late Monsignor Edward J. Byrne.

Chickens are more productive/wool, according to tests conducted. The tests showed that hens in well-insulated buildings lay 16 shells ingulated with mineral more eggs per year.
