**'Good Grooming' Promoted In Mercy High Project**

Student Council of Our Lady of Mercy High School is currently spotlighting "Good Grooming," according to senior Paula Smith, council president. The project, which will extend through till Wednesday, April 17, was launched April 4, during an assembly, by a guest speaker, Miss Norma West, the head model at the Barbizon School of Modeling in New York City.

Junior Sharon Tubbs, the Edward's Teen Board and Seventeen Magazine representative, and Junior Mary Bull, Sibley's Teen Board representative, are co-chairmen of the good grooming emphasis.

To keep Mercians alert to "good grooming," there are posters, signs, and slogans throughout the school. The art classes will have in their show cases a display on color schemes. The home economics classes will decorate their showcase with aids to "good grooming."

A booklet composed by the members of the Student Council and containing timely tips will be distributed to each student. In addition, there will be two movies on "good grooming" shown after school.

"The project proposes to encourage Mercians to realize that good grooming is an essential part of life and a definite aid in achieving success," according to Paula Smith.

**INTRODUCING "LANKY PLANKY"**  
**EASY PAYMENT PLAN**  
At Home Dept. For Large Lumber Inc.  
In our sincere effort to accommodate many home owners who wish to make progressive repairs or modernize their homes but who find it financially difficult to make such needed repairs, Ridge Lumber Inc. is introducing to the home owners in this area an Easy Add-On Payment Plan.  
**How Does It Work?** Regularly it's simple plan. You as the home owner decide how much you would like to pay each month. Ridge Lumber Inc. gives SIX times that amount in credit. For example if you decide that you can  
PAY \$5.00 per month—Your credit limit is \$30.00  
" 10.00 " " " " " " " " " 60.00  
" 15.00 " " " " " " " " " 90.00  
" 20.00 " " " " " " " " " 120.00  
Each month you will receive a statement with the sales slip and credit slip enclosed. This tells you how much of your credit limit is still available for you to spend. Each monthly payment you make reduces the amount you owe and increases the amount you have open to spend. Thus, you can charge while making payments as long as you do not exceed your self-imposed limit.
