

Card Mindszenty Target Of New Red Attacks On Church

Washington, D.C. (AP) — Hungary's Soviet-controlled government has launched an attack against the Church of Rome by repeating charges that Cardinal Mindszenty is a traitor.

The government's attack is the latest in a series of moves to bring the Church under control. It follows the arrest of Cardinal Mindszenty in 1956 and his subsequent flight to the West.

Man Who Stopped Reds In Far East Catholic President Of Vietnam Coming To U.S. In May At Eisenhower's Invitation

By FATHER PATRICK O'CONNOR (Correspondent, N.C.W.C. News Service)

Ngo Dinh Diem, Catholic President of Vietnam who has accepted President Eisenhower's invitation to visit the United States May 5 is one of the persons to whom the white world is indebted.

He alone has stopped the Communists in their hour of perilous conquest in the East.

Had all Vietnam fallen to them, as seemed inevitable in July 1954, the Communist empire would have gained full economic, strategic and political advantages.
