St. Mary Hospital Lists Open House

An open house will be held at St. Mary's Hospital on Friday, May 17, from 3 to 5 p. m. as part of the country-wide observance of National Hospital Week which extends from May 12 to May 18.

With the theme of the national program "Careers that Count", St. Mary's Hospital is making an effort to focus attention on the careers in accounting, hospital administration, laboratory techniques, dietetics, social service, building maintenance, laundry management, personnel, medical secretaries, library and general office procedures. There will also be the opportunity to view the activities of nursing and medical services of the hospital at close range. The hospital management extends an invitation to the entire community but especially to those seeking careers in the fields of medicine, nursing and hospital work to visit the open house. Should any special information be desired the services of the personnel and public relations offices will be available during the entire week.
