

IRELAND .. must be Heaven..

Because our Sister came from there!

Over a century ago, Mother Catherine McAuley, Foundress of the Sisters of Mercy, established her "House of Mercy" in Dublin for the care of the sick poor and the teaching of the children of the poor. The Diocese of Rochester welcomed Sisters of the Order to the area one hundred years ago to assist in the education of our Catholic youth. The sponsors of this message say "Amen"

to the sentiment expressed for the fortunate boys and girls who are under their learned and sympathetic influence.

CONGRATULATIONS!
