## GOD LOVE YOU!

By MOST REV. FULTON J. SHEEN

The blessing of having a son a priest is given to few families. In the old Testament, the eldest son in a family, of the tribe of Levi, was to be a priest. But our Lord broke that tradition for He was not of the tribe of Levi. Furthermore, as He said of His Apostles: "I have chosen you, but you have not chosen Me!"

But our Lord in His Mercy makes it possible for families with out priests to adopt young men in Asia, Canada, at present and out pray for their spiritual maturity. Successful as they are, at the Holy Father has established a Society of St. Peter, the Apostle, for the raising of native priests in the Masses. These are, in this work, the Holy Father has stated, sharing all their Masses, prayers and conversions.

The point is—they must be what are called "native clergy," just as Americans want American priests, so Indians want African sons to "go unto the altar of God." Though we are dedicated to the foreign missions we look forward to a day when there will be fewer foreign missionaries and more native clergy in each country of the world.

For \$50 a year one can have the spiritual privilege of "mothering" or "fathering" a priest of God. As a young man, you may materially support a young man, so a young priest can intercede for your support for a spiritual young benefactor. When your priest lifts his hands at the altar of the Mass it will be Christ the High Priest and it will be you who made it possible. May your faith be deep enough to make such a sacrifice for the love of God.

GOD LOVE YOU? RWP? I was going to buy a new lamp with this \$10. Instead I pray that it will give me Eternal Light to souls. To L. P. Enclosed find \$2. I was going to buy a new pair of work trousers but I patched the old ones and they'll last for awhile. So you can use this to patch up the emptiness in some poor soul in the missions. To M. A. T. Enclosed \$1. \$2 is from our eleven-year old son and the other \$2 from us. To A. B. a waitress. "Everytime I serve the Boss his lunch he gives me a dollar. As he is no trouble at all I decided to give the money to the missions. I'm sending this \$50 to educate a mission priest for a year, and I'm sending it now, rather than later, because I'm weak and might change my mind."

Vocations are the result of prayers and sacrifices. Christ said: "PRAY ye the Lord of the harvest, to send laborers into the vineyard." As you finger the WORLD MISSION ROSARY the different colored decades will remind you of the mission land to which you spend your spiritual support, your prayers. The \$2 sacrifice that you send along with your request for the rosary will help as a material support for the missions, and the growth of a "native clergy." Address: The Society for the Propagation of the Faith, Order Dept., 366 Fifth Avenue, New York 1, N.Y., or your own Diocesan Director.

Cut out this column, pin your sacrifice to it and mail it to the Most Rev. Fulton J. Sheen, National Director of The Society for the Propagation of the Faith, 366 Fifth Avenue, New York 1, N.Y., or your Diocesan Director Rev. George S. Wood, 50 Chestnut Street, Rochester 4, New York.

### 60 Year Old Chalice Sent To Irish Priest

Ovid N.Y. — A chalice which began its service to God more than 60 years ago in Holy Cross Church here has just journeyed to Ireland where it was placed in the hands of a successive heir to the Rev. Thomas J. O'Connell, first pastor of this parish.

## Martin Moll Named To Printing Post

Martin Q. Moll was elected president of the Printing Industry Association of Rochester, New York, Inc. to succeed Frank M. Elchorn at a board of directors meeting in Rochester Chamber of Commerce.

Moll is president and owner of the Christopher Press, Inc. and widely known for activity in industrial and civic affairs. He has been a director of the Printing Industry Association of Rochester, New York, Inc., since 1952. He served as vice president for the past two years.

Elchorn, a partner in the firm of Elchorn and Birmingham was elected association president in June 1953 and was re-elected for four consecutive terms. Substantial membership increase and program expansion were reported during his terms. One of the last acts of his administration was setting up of a program for presenting medals to honor students in vocational high school printing courses in the city.

taken to Ireland and to the Rev. Michael J. Diskin for use in his first Mass by Miss Florence Scanlon of Trumansburg, a grandniece of Father O'Connell. Father Diskin was ordained at Wexford on June 2 and celebrated his first Mass in his home parish at Carohan, Tuam, Co. Galway, on June 3.

In 1896, Catholic members of the staff of Willard State Hospital here presented the chalice to Father O'Connell as a gift for his silver jubilee of ordination. UPON HIS DEATH Father O'Connell willed the chalice to his first blood relative to be ordained. This relative was the Rev. Michael S. Gildea who used the chalice during his priestly life until he died as pastor of St. Mary's Church, Peru, Ill., in April of 1953.

He in turn willed the chalice to his first blood relative to be ordained to the priesthood and this proved to be Father Diskin who received the chalice from the hands of Miss Scanlon and will continue to use it during his years in the priesthood.

After the ceremonies in Ireland, Miss Scanlon planned to visit Rome before returning to the U.S. on July 15.
