Sacrifices Can Aid Child

ICE-CREAM SODAS cost Americans \$1,000,000 last year according to the Society for the Propagation of the Faith with diocesan offices at 56 Chestnut St., Rochester. The Society does not ask anyone to stop eating ice cream, it only reminds that through personal sacrifices can the painful hunger of children, such as this one, be relieved.

Waverly Students

**Appeal Rejected
On Bus Ride To
Notre Dame High**

Waverly — James L. Allen Jr., Commissioner of Education of the State of New York, has dismissed the appeal for transportation of students approximately fourteen miles to

the district, many of whom lived on almost inaccessible dirt roads.

The appeal was filed by Mr. and Mrs. Pasquale Tuccinardi of Chemung on behalf of their son, Michael, a sophomore at Notre Dame High.

THE GROUNDS for the appeal were:

- That the distance requested was approximately the same as that presently provided for students going from Chemung District No. 11 to Waverly High School.
- That a reasonable interpretation of the term "adjacent" was that District No. 11 in the proposed at the time the appeal was filed centralized district of Waverly, would be adjacent to the proposed consolidation district of Elmira. Since the appeal was filed, these two areas have become adjacent.

- That Notre Dame is the nearest and only Catholic high school in the area, thus complying with the Transportation Law's requirements.

- That the annual school meeting on May 7 was held at a place other than that specified on two notices seen by Mr. and Mrs. Tuccinardi. In addition these notices were posted by Mr. Richard Day, school trustee, instead of being turned over to Mrs. Tuccinardi, district clerk.

The reason stated by Mr. Day to the commission being that Mrs. Tuccinardi was in an advanced state of pregnancy, and he wanted to spare her unnecessary work.

This compelled the Tuccinardis to call a special meeting for which Mrs. Tuccinardi personally attended each meeting to every tax payer in

the district, many of whom lived on almost inaccessible dirt roads.

• That the trustee, Richard Day, in his answer to the appeal, stated that he originally selected for this meeting an abandoned schoolhouse, whose doors and windows are boarded, and where the electric light fixtures and heating unit have been sold.

MR. DAY CONCLUDED his answer to the Tuccinardi appeal by summarizing the results of the district vote as follows:

"We do not feel the question of financial hardship has any bearing on the case and the matter of principle is the main consideration of ninety per cent of the voters in the district.

"If at any time they wish to place the children in public school, transportation is already provided and tuition will be most willingly paid by the district, regardless of the reflection in tax increase."

At a special meeting held on May 22, eighteen voters attended fifteen of whom voted "no." Mr. and Mrs. Tuccinardi and her mother cast the three approving votes.

The commissioner in dismissing the appeal stated, "It is well settled that the Commissioner of Education will not order transportation where the distance involved is more than eight miles. (See Matter of Greery, 74 State Dept. Rep. 14)."

RICHARD DAY is presently a candidate for the school board of the new Waverly Central School district. The election is to be held on July 23.

ACCORDING TO the Rev. G. Stuart Hogan, pastor of St. James Church here in Waverly, about five pupils from the parish and a total of fifteen from the surrounding Chemung Valley area commuted to Notre Dame in Elmira during the past year.

To transport these pupils to Elmira each day, Father Hogan explained, a contract was made with a private bus company which was given a guarantee of \$2,700 for the year. Each pupil was asked to pay a weekly fee of \$3.00 for transportation.

Because of the small number of students, their weekly fees did not meet the guarantee to the bus company. As a result, St. James Parish paid out approximately \$1,000 to meet the deficit, Father Hogan explained.

He expressed hope for better results in meeting the bus costs next year when it is expected at least 25 students from the Chemung Valley area will attend the Elmira Catholic high school. The students will come from Waverly, South Waverly, Athens and Sayre, Father Hogan said.

Ted Busch is chairman. A smorgasbord will be served beginning at 5 p. m. with various booths and pony rides as attractions.
