DEMONSTRATION CLASS of second graders from St. Jerome School, East Rochester, participate in Nazareth College Summer School course under the direction of Sister Francis Camilla. Course has three-fold purpose of theory, demonstration, and the participation of student-teachers.

**Second Graders Participate in College Demonstration**

Forty second graders from St. Jerome School, East Rochester, are enrolled in a demonstration group in the Elementary Teacher Education Division of Nazareth College.

The summer school class in the development of techniques for teaching primary reading presents a three-fold opportunity for theory, demonstration and the participation of student-teachers.

Sister Francis Camilla and Sister Madeline Therese are directing the group.

SINCE THESE children represent all levels of reading ability, a variety of techniques are presented whereby student-teachers may be guided in the selection of reading experiences for primary grade children.

The development of an enrichment program for those children who have already mastered the basic skills includes membership in a library club. Pupils in King skills as they reinforce those

**Geneva Couple Marks Jubilee**

Geneva—Mr. and Mrs. Francis A. Church, 282 N. Genesee St., celebrated their 25th wedding anniversary Sunday, July 14.

A low Mass at St. Francis De-Sales Church was said in their honor at 11 a.m. A dinner was held for immediate members of the family at Lafayette Inn.

The Church couple were married on July 14, 1932 at St. Stephens Church by the Rev. John A. Guy.

When these children enter the second grade at St. Jerome's in the Fall, many of them will have an advanced reading status as a result of their summer experience, according to the Sisters. The average reading group are being helped to acquire new read-

already learned, while those in the remedial group are being given the help necessary to succeed in reading on their grade level.
