Modern School Building Planned

Corning—A new 8-room school building is in the planning stage for St. Mary's parish with announcement last weekend of a fund-raising campaign to finance the big educational project.

The new school, according to the Rev. Thomas F. Brennan, pastor, will be erected on the parish property located at State and W. First St. and directly opposite the parish church. The school, when completed, will replace the old educational institution on the same site.

According to school plans also announced last week, an enrollment of about 380 students, about the same number as a year ago, will begin school next month in the old building under the direction of Sister Mary Rita, principal, and the faculty of 11 teachers.

FATHER BRENNAN announced that the minimum goal of the fund drive has been set at \$200,000 to help pay for the new school and the renovation of the gymnasium wing. He said Joseph T. Tunney, well known Market St. businessman, has accepted the general chairmanship of the drive.

Details of the plans for the new school have not been completed by the Elmira architectural firm of Haskell, Considine and Haskell.

Serving as general vice-chairmen for the campaign are Paul J. Canaliou, Daniel J. Lammon, William J. McCarthy and George Monopoli. These general vice-chairmen have in turn enlisted the help of sixteen division leaders who are presently engaged in filling their quota of volunteer divisional members. When this is completed, it is expected that some 300 workers will canvass the entire parish for pledges on Solicitation Sunday, September 29. The division leaders are Raymond Abel, Joseph Ambrosone, Dr. George Blair, Joseph

SPECIALIZED posts are filled by William M. Cassidy, survey chairman and J. Norman Rely, special gifts chairman. The funds will be raised by the pledge method which will be extended over a three year period.

To facilitate payment, Architects planning the new building are Haskell, Considine and Haskell of Elmira, New York.

Professional counsel for the campaign is provided by Joseph J. Connon, director of Foley Associates, Inc., Rochester, New York.

Rite Dedicates Boy Scouts To Our Lady

London — (NC) — Some 2,000 Catholic Boy Scouts from all over the world walked three miles in torchlight procession to Midnight Mass and to dedicate the world's 1,250,000 Boy Scouts to Our Lady.

Each of the 2,000 Scouts carried a candle inscribed with the name of a different Catholic troop somewhere in the world to the Mass at the Aylesford Carmelite Priory.

Catholic troops everywhere had been invited to offer candles for the procession and for others which burned before the priory altar.

The Catholic Scouts' own jamboree followed the great World Jubilee Boy Scout Jamboree which had just ended at Sutton Park near Birmingham.

Father Malachy Lynch, O. Carm., Prior of Aylesford, sang the midnight Mass in the presence of three Bishops. A succession of prelates, including the Apostolic Delegate, Archbishop Gerald P. O'Hara, Bishop of Savannah, Ga., and Archbishop William Godfrey of Westminster visited the camp.

Archbishop Godfrey, preaching during his visit to Buckmore Park, disclosed that Sir Robert Baden-Powell, when conceiving the Boy Scout movement sought the advice of the Archbishop's predecessor at Westminster, Cardinal Bourne, and that his advice was largely followed.

"The advice given by the Cardinal was that there should be no question of a universal religion for the scouts, for this in time would destroy the movement," Archbishop Godfrey said.

"Better, he said, to have regard and respect for each individual's beliefs."

Jersey Ponders Table Prayers

Trenton — (NC) — A bill to legalize the saying of grace before meals in New Jersey public schools likely will be approved by the State Senate when it reconvenes in November.

The bill was drawn up by Attorney General Grover C. Richmond after his office recently had ruled that the practice of students in an Edgewater Park school saying grace before meals was contrary to law.

The opinion pointed out that under present law only reading of the Bible and saying the Lord's Prayer are permitted in New Jersey public schools.

New York — (NC) — Nine priests of the New York archdiocese have received honors from His Holiness Pope Pius XII. It was announced here.

Highest honors went to Msgrs. Edward A. Leher, Joseph A. Kervin and William R. Kelly, who were advanced from domestic prelate to protonotary apostolic.

Two priests were named domestic prelates and four were made papal chamberlains.
