THE CATHOLIC COURIER JOURNAL
35 JUNE STREET
ROCHESTER, N. Y.

There are many people and various factors that have contributed to the growth of our business and it would be almost impossible to name and thank each one. But we do not want to ignore one of the greatest motivators in our business, that is the CATHOLIC PRESS and its representatives. The Catholic Press representative who has assisted us in the past is Mr. Bob Finnegan. He has been a great help to us in many ways and we are sure that he will continue to be a great help to us in the future. We are sure that he will continue to be a great help to us in the future. We are sure that he will continue to be a great help to us in the future.

"THANK YOU BOB FINNEGAN!"
It's been a pleasure

Tests Duplicate Storms

Lab Keeps Windows Efficient

Nature's tempests are being duplicated in the laboratory today to test the efficiency of wood windows in keeping bad weather out.

In the photograph, a technician is inspecting a window of ponderosa pine in a special wind and rain chamber. Wind velocities of approximately 60 miles an hour can be produced in the chamber. The window can be battered with as much as five inches of "rain" per minute.

These tests have resulted in wood windows that are weather-

tight even under the most extreme conditions. The wood itself also is weather-resistant, and it is treated with a moisture-proofing chemical.

OLD SHADE RENEWED
An old paper lampshade ready for the trash basket can be renewed with a coat of rubber base paint in a color matching or complementing the room.

74 POOLS PLANNED
A new development of homes planned for Palm Springs, Calif., will have 74 swimming pools.

John Auberger Services Held

Funeral services for John S. Auberger of 24 Bloomingdale St., father of Sister Teresa Martin and Sister M. Celine, both of the Sisters of St. Joseph, were held Saturday, Sept. 21 at L. W. Maler's Sons' Funeral Home and at St. Michael Church.

Solemn Requiem Mass was celebrated by Rt. Rev. Msgr. Arthur F. Florko, assisted by Rev. John Philipps, vicar and Rev. Edward E. Steinkirchner, sursecon.

Rt. Rev. Monsignor John M. Duffy and George W. Eckl were in the sanctuary also. Rev. Fathers Howard W. Geck, Francis C. Waterstraat, Albert V. Ryan and Eugene V. McFarland.

Mr. Auberger was a member of the Holy Name Society of St. Michael Church and the Early Settlers' Club of Bausch & Lomb Optical Co. His death was sudden following a heart attack while at work.

Besides his two daughters, Mr. Auberger leaves his wife, Margaret Donovan Auberger; two sons, John D. and Edward F.; a sister, Mrs. Leo Lawson of Chidley, N. Y.; four brothers, Andrew Joseph, Raymond and Walter, also five grandchildren.

Requiem Conducted For Mrs. Grabb

Funeral services for Florence (Klee) Grabb, who died Sept. 17, 1957, were conducted Friday, Sept. 20 at St. Boniface Church following services in the Miller Funeral Home.

Requiem High Mass was offered by her nephew, the Rev. Robert Klee O'way, Ohio, assisted by the Rev. Thomas Erdie, dean and the Rev. William J. Shepley, subdeacon.

In the sanctuary were Monsignor Francis W. Luchty, and the Rev. Fathers Joseph T. Maloney, William F. Nolan and Frederick W. Straub. Final blessing at the grave in Holy Sepulchre Cemetery was imparted by the Rev. Thomas Erdie, cousin of the deceased.

Mrs. Grabb was a member of the Little Flower Guild, the Rosary and Sacred Heart Societies of St. Boniface Church. She is survived by two daughters, Mrs. E. Kesseling and Sister Anna Gmaga, S.S.I.; four brothers, Frank, Joseph, Edward and Robert, and Arthur Klee of Columbus, Ohio.

HOME OWNERS QUESTION BOX

Q Water seeps through one wall of our basement. We've been advised to dig down on the outside of the wall and give it a coating of tar, but have decided doing this same digging would disturb a grouping of well-established shrubbery. Is there another way to stop the leakage?
A Waterproofing agents are

available today which can be applied to the inside of leaky basement walls. These generally do a good job, and would be worth trying in your case.
Q—I plan to enclose an open porch and hope to add a bedroom above it at a later date. Will 2 x 6 joists be adequate for the ceiling of the porch?
A—No. These would be fine if they supported only the porch roof and ceiling, but are too light for the weight of an overhead room. Use 2 x 8 joists for safe construction.

Shingles Cutters Indanger Homes

Shingles cutters are a real danger to the safety of the home. They can cut and shingle shingles so that they will not hold together. This is an "extra layer" of waterproof material under the shingles at the eaves.
