*an  
Irish  
Blessing*

May the blessing of light be on you,  
light without and light within.

May the blessed sunlight shine on you  
and warm your heart till it glows  
like a great peat fire, so that the  
stranger may come and warm himself  
at it, and also a friend.

And may the light shine out of the two  
eyes of you like a candle set in two  
windows of a house, bidding the  
wanderer to come in out of the storm.

May you ever have a kindly greeting for  
them you pass as you're going along  
the roads.

*May God bless you and keep you always.*
