2 Geneva Catholic Nurses Report On Papal Audience

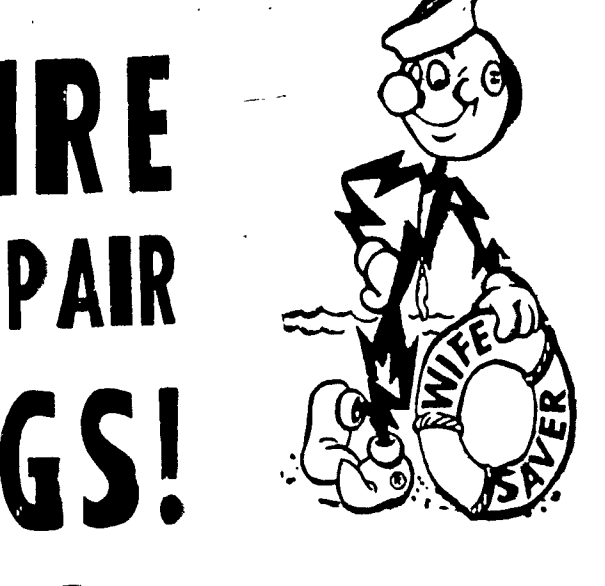

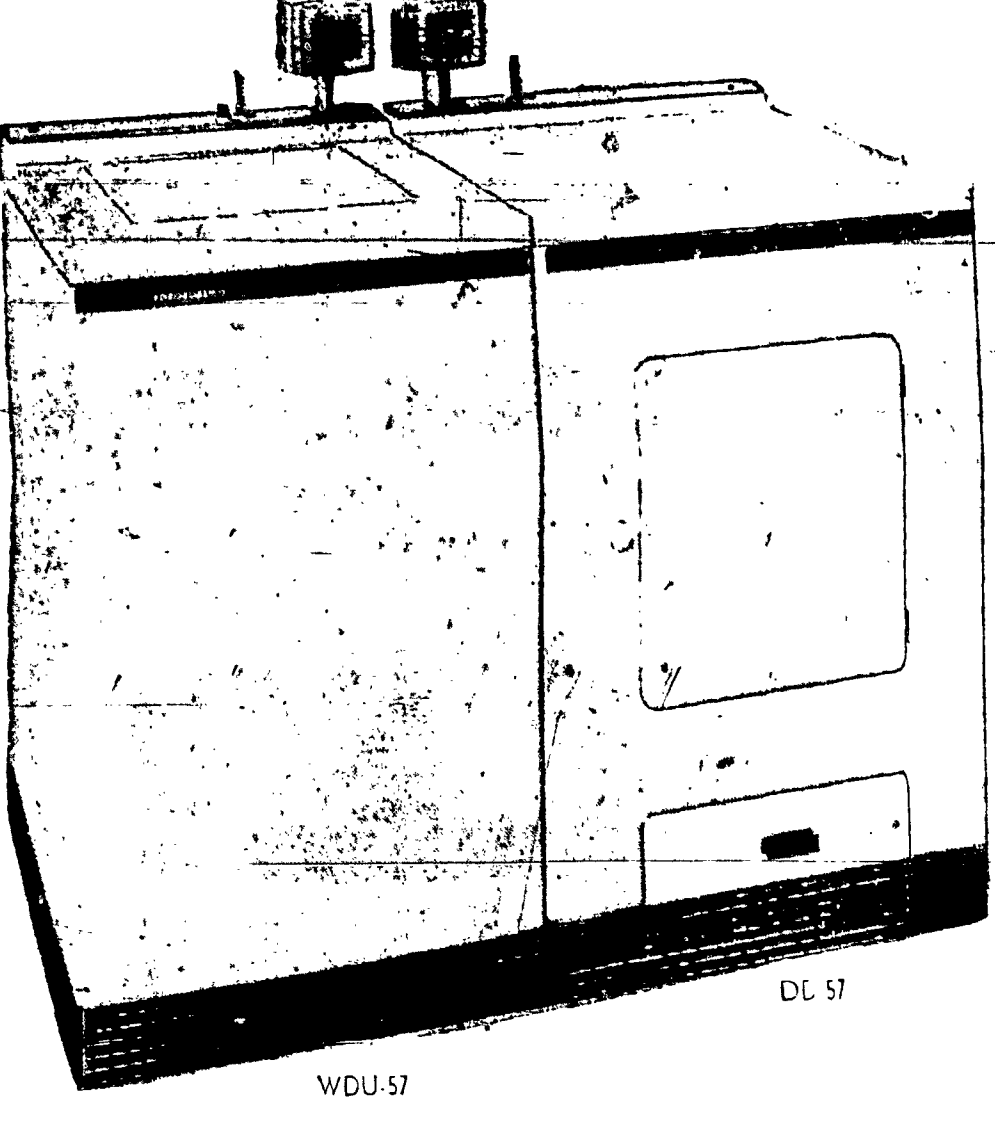

Geneva — Two Geneva nurses, Mrs. Loretta Linehan and Miss Mary Bertino, related this week their audience this summer with Pope Pius XII and other experiences in Europe when they attended the International Congress of Nurses.

Over 3,000 nurses representing more than 57 countries met in Rome for the congress. The United States was represented by 600 delegates.
 ADDRESSING members of the Court Annunciation Catholic Daughters of America this week, Mrs. Linehan recalled her first view of Pope Pius.
 "To see the Holy Father raise his hand in blessing us... one forgets the crowd. His magnetic eye draws one to him and you feel he sees you, and is blessing you individually," she said.
 Mrs. Linehan remarked on the Pope's healthy appearance and stated that "his light spring step makes him seem like a young man."
 Besides Italy and Sicily, Mrs. Linehan and Miss Bertino visited Lourdes in France and the Lakes of Killarney, Ireland.
 Mrs. Margaret Bolger, grand regent, president at the meeting. Refreshments were served.

Here's the "buy of a lifetime" on a deluxe, fully automatic, all-porcelain 1957 Frigidaire Washer and Dryer. Buy them separately or buy the pair... you save either way with Frigidaire.

We have to move these appliances out now to make room for the 1958 Frigidaire appliances. That's why we've chopped prices to the bone! In view of the higher prices for comparable models of 1958 washers and dryers these are even better values.

Dollar for dollar and feature for feature we don't think you'll find a better value anywhere! Of course these appliances are available on convenient budget terms with up to thirty months to pay. Don't wait too long because quantity is limited!

FRIGIDAIRE Deluxe All-Porcelain WASHER!

All porcelain inside and out means that your Frigidaire washer is protected for life against rust. It also means that your washer will remain brilliantly white and new looking for years and years.

The new "Sheer Look" design means that the washer fits T-square tight with everything. It fits level with standard cabinets... back, sides and top. It can be installed flush with the wall and give you the rich built-in look without any expense.

Frigidaire's famous Unimatic Mechanism that powers the washer is synonymous with long life and trouble-free service. Frigidaires are just built that way.

Why don't you see it at your RG&E early this week? It's your buy of a lifetime!

FRIGIDAIRE Deluxe All-Porcelain DRYER!

Here's the perfect partner for your Frigidaire washer. Working side by side as a team they'll turn your washdays into holidays.
