Hierarchy's Film Group To Eye Radio, TV Fare

Washington — (NC) — Scope of the U. S. Bishops' Committee on Motion Pictures has been extended to include radio and television.

This was announced by Bishop William A. Scully of Albany, chairman of the committee, during the annual meeting of the Archbishops and Bishops of the United States held at the Catholic University of America here.

BISHOP SCULLY ALSO ANNOUNCED that the system for classifying motion pictures by the National Legion of Decency has been changed to include three divisions under Section A listings. They are:

A-1: Morally unobjectionable for general patronage.

A-2: Morally unobjectionable for adults and adolescents.

A-3: Morally unobjectionable for adults.

With the move into the other media of communications, the Bishops' committee will change its name to the Bishops' Committee for Motion Pictures, Radio and Television.

THE CHANGES IN LEGION RATINGS were made to emphasize the real moral dangers which are present in films rated in the B and C categories.

Bishop Scully said the attention of pastors should be directed to the necessity of instructing their people to avoid attending such films since they constitute a threat not only to parishioners' spiritual life but also to the moral behavior patterns which conditions public morality.

The Secret formula for Chartreuse Liqueur was developed from a treasured family recipe given the Monks of the Carthusian Order by the Marshall d'Estrees in 1605. Even today, only four Monks at the Monastery of La Grande Chartreuse in France know this prized secret.
the secret of CHARTREUSE
While its formula remains a secret, the taste and reputation of Chartreuse Liqueurs are known the world over.
To serve and to give—no other Liqueur is more revealing of your own good taste. You will find Chartreuse—Yellow or Green—makes an appropriate and much appreciated gift.
