THE MONEY realized from the record hop will help to finance sodality trips to Chicago's and New York's Summer Schools of Catholic Action next August. Last August twenty-seven sodality delegates attended the summer schools.

Each of these sodalists chose six out of a possible forty courses. The travelling summer school stopped in each of the cities for six days. The courses offered cover a fairly wide area; sample titles from those offered in 1957 are: "The Woman's Place in the World of Today" and "What to Know and Do about Communism."

"IT'S WONDERFUL!" "IT'S EFFICIENT!" "IT'S WORRY FREE!"
