Text Of Greeting Of Hospital Head

The Christmas Season is a reminder of many things that are close to one's heart. Such words as "A Blessed Christmas" which are on the cover of the December issue of the Hospital Bulletin and today's Christmas party with the presentation of service awards recall a spirit of love, a spirit of joy, a spirit of the Christ-Child.

Over two thousand years ago a God assumed our weak human nature and deigned to become man and share with us the lot of men that we might attain to Him in glory. This supreme act of love was made for each of us individually so that we might learn the true value of lasting happiness and real love.

THE WHOLE purpose of the life of workers in this hospital is to show forth a joyous Christlike charity. The duties that we perform are listed under works of mercy. For us the true and proper meaning of the first Christmas has found an inroad into our very beings. Our services are motivated by love for our fellowmen, and are marked down as loving acts in the Book of Life.

KC Chaplain Given Purse For Christmas

Corning—Group discussions on various subjects will be held following meetings of Corning Council, Knights of Columbus according to Grand Knight Leonard Dziadkiewicz.

Announcement of the discussions to be held on the second Thursday of each month and stag parties to follow meetings on the fourth Thursday of each month was made at the annual Christmas party held in the K. of C. Home.

The Rev. Ralph Thomas S.A., council chaplain was presented a purse by the grand knight. Other guests included Dr. Hugn A. T. Keenan, fourth degree faithful navigator; the Rev. Blaise Burniston, S.A. and the Rev. Gerald Dunn, all presented by Charles Houston, past grand knight.

Approximately 50 couples attended.

PLEASE HELP US

Each year at this time we send to our friends a Christmas calendar as a means of showing our appreciation of their friendship. Through the many years we have been doing this we have added many hundreds of names to our list and each year it becomes harder to trace our friends as they move about. We definitely do not want to overlook anyone so if you did not receive your calendar this year we would appreciate it very much if you would help us by calling, and giving us your present address. Thank you!

Newly Built Church Opened In Pittsford

Pittsford had a new church for Christmas.

It is a gem of contemporary style.

Silver cross and candlesticks on the altar sparkled like the stars over Bethlehem as Father John Reddington celebrated first solemn Mass in the new church at midnight Christmas Eve.

Parishioners stole time from their missal prayers to study the highlights of their newly completed edifice.

GREETING THEM at the entrance way is a striking statue of their parish patron St. Louis, the crusader king of France.

The church's carillon tower also serves as an entrance way from Pittsford's South Main St.

Inside, focus of all eyes is the main altar with its mosaic frontal of gold and deep blue.

To the right of the main altar is a separate little chapel, big enough for about twenty-five.

Father Reddington said, "It will be just right for private prayer or quiet weddings."

Above the chapel altar is a painting of the Holy Family, an 18th century original by the Italian artist Jacopo Amigoni.

A terracotta madonna stands at the communion rail, designed by the French craftsman Hugh Maurin who also did the stations of the cross.

In the morning, said Father Reddington the sun's line floods the church with rainbow beams. The stained glass windows, long slender shafts of glass with symbols showing the mysteries of the Rosary, were designed by Stephen Bridges of the Rambusch company.

Under construction for the past sixteen months, the new St. Louis Church replaces the half-century old and cramped structure on State St.

The new church, built at a cost of \$375,000, was designed by architect J. Sanford Stanley of New York and chief contractor was the E. Gleason Co. of Rochester.

Solemn blessing of the church will be held "sometime in the spring" said the pastor.
