GOD LOVE YOU!

By MOST REV. FULTON J. SHEEN

THE HOLY FATHER recently made a most startling statement: "One missionary accompanied by six catechists does more good than seven missionaries because the catechists work among their own people, know their language and their customs, and make contacts more readily than a missionary coming from another country."

BY CATECHISTS THE HOLY FATHER MEANT lay apostles, men and women, who teach religion and prepare the converts for instructions. Naturally, in Africa, Asia and elsewhere natives have to be trained in this apostolate before they engage in the actual work of conversion. Asia and Africa together have a population of 1,500,000,000. There are only 25,000 priests in these areas. This shortage of priests is made up by 74,000 catechists who can support themselves on as little as \$30 a month.

WHY WAS THE UNITED STATES, with its thousands and thousands of Catholic College graduates, so highly organized catechetical movement to instruct its "lost" sheep? Priests average less than three converts per year. We may lose that many through bad marriages, pride, lust and avarice. The laity could and should supply an army of catechists to rescue religion in our land from the darkness of despair and return it to the Light of the World and that Peace which the world cannot give.

THE LAY, IN GRATITUDE FOR their faith, should make sacrifices to bring the faith to pagans in foreign missions. Some could send in every month sufficient to keep a catechist in Asia or Africa. Others could sacrifice enough in a year to have a little missionary of their own saving souls. Judgment Day will not be merciful if now we make friends with the Judge Who is Christ the Lord.

ANY SACRIFICE you make, large or small, for catechists will be sent directly to the Holy Father who will make the distribution. This always happens when you give to his Society for the Propagation of the Faith. Give your soul a treat by denying your body a few little treats each day.

GOD LOVE YOU to A.C. "Many times I have promised \$5 to the missions if my favor was granted. I hope this \$50 will take care of my past promises." ... to Anon "At the request of my mother recently deceased I am sending this \$2 as a thanksgiving in honor of St. Plus X for a successful operation for her seventeen-year old grandson." ... to I.M.E. "Our employees decided to forego our annual Christmas party and send the cost of the party to various charitable organizations. Here's \$15 for the Society for the Propagation of the Faith."

THE BEAUTIFUL STATUE OF OUR LADY OF TELEVISION is yours for the asking. By having the statue in your home you give evidence of the fact that you are devoted to Our Lady and have placed yourself under her patronage. You also prove that you are a lover of the Holy Father's Missions because the sacrifice-offering of \$3 that you send for the statue aids one of his 135,000 workers in mission lands. Send your offering and request to us or to your Diocesan Director.

Cut out this column, pin your sacrifice to it and mail it to Most Rev. Fulton J. Sheen, National Director of the Society for the Propagation of the Faith, 365 Fifth Avenue, New York 14, N.Y., or your Diocesan Director, Rev. Geo. S. Wood, 50 Chestnut Street, Rochester 4, New York.
