Guild Told Meaning Of Priesthood

Auburn — Mrs. Francis C. Iala was elected president of the Board of Mercy Guild of Mercy

Hospital at the annual dinner and meeting Monday evening at the Auburn Inn. She succeeded Mrs. Frederick J. Welch who has served as president for 7 years.

Other officers elected were: First vice-president, Mrs. Fredrick J. Kerr; second vice-president, Mrs. Julius Aronson; third vice-president, Mrs. Anna Stevens; recording secretary, Mrs. John F. Welch; assistant recording secretary, Mrs. John F. Foster; financial secretary, Mrs. Carl H. DeFurio; assistant financial secretary, Mrs. C. Woodrow Dayton; treasurer, Miss Laura Falley.

Trustees elected Monday evening were Mrs. George B. Shannon, Mrs. George M. Frank, Mrs. J. Harold Wright and Miss Catherine Burns.

The Rev. Gerard J. Gull, assistant pastor of St. Mary's Church, speaking to the women on "The Meaning of a Priest" said in part: "Love is made to give away." In that statement is contained the explanation as well as the mystery of that life of sacrifice which is rightfully, and by

the will of Christ, the life of the Priest. Failing to understand the priest, the world asks a double question as though to trap him on the horns of a dilemma.

"If you are an ordinary young man," the world asks, "how will you ever live up to your vows? And if you are an exceptional young man why squander your lives away?"

"But the answer lies in Christ's words to His apostles: 'You have not chosen Me, but I have chosen you'; for these are ordinary young men made exceptional by a likeness and a purpose—the likeness to the image of Christ in whose mold they are cast; the purpose, the cry of Christ's heart for souls. It is this great concern for souls, this self immolation because of them, that is the priest's strength in discouragement and consolation in loneliness. It is the souls who will love God forever in eternity that will be his reward in Heaven."

Joseph P. Cuddy, newly elected president of the Board of Mercy Hospital, was a guest at the meeting and praised the Guild's work at the hospital.
