## GOD LOVE YOU!

By MOST REV. FULTON J. SHEEN

THERE ARE MORE LEPERS in the world than there are victims of either tuberculosis or cancer. Millions of dollars are available for cancer research, but our poor missionaries, in 300 leper colonies, care for 300,000 lepers with only little aid. How did they ever give themselves to care for those whom most people would shrink from touching? Through faith in Christ Who touched lepers to heal them.

OUR LORD OFTEN TOUCHED THE DISTRESSED. He touched Peter's mother in law and the fever left her; He touched the leper and the corruption disappeared; He touched the dead child's forehead and she lived; He touched the ears of the deaf man and he heard; He touched the sightless eyes of the blind man and he saw; He touched the hand of the demoniac boy, writhing in the grip of the tormenter and he was freed.

WHAT INTERESTS US PARTICULARLY IS THAT He touched the lepers despite all legal prohibitions and natural repugnance. Touch, St. Thomas Aquinas tells us, is the most sensitive of all the senses. It is also the one most inseparable from pity and compassion.

IT IS NOT GIVEN TO YOU TO TOUCH LEPERS in service as do 1,250 missionary priests, Brothers and Sisters. But you can touch them with the gloves of generosity through your sacrifice for them.

AFTER ALL, their leprosy is merely an outside picture of what a soul looks like in the state of sin. In healing their bodies we can in some manner make up for our sins and help to heal our own souls. If we touch your heart then reach out and touch the lepers and send your sacrifices to the Holy Father and his missionaries through his Society for the Propagation of the Faith.

GOD LOVE YOU TO B.A.M. for \$3. "Just a little sacrifice of newspapers and magazines. Because I gave up the written word perhaps some pagan may come to know THE WORD." ... to H.K. for \$50 "Even though the dress was on sale I finally convinced myself that the \$50 would do more good on the Missions than a new outfit would do on my back." ... to G.T. for \$2.35 "I've been trying and trying to save for a rainy day—this is as far as I ever managed to get so I guess I'll give up. From now on I'll forget about the rainy day and save for the Missions instead—maybe I'll become more 'economy-minded'."

OUR LADY HAS ASKED THE WORLD to "pray the rosary" and we suggest that you pray the WORLD MISSION ROSARY. When you use this rosary you cannot fail to include all the people of the world in your good prayers because the different colored decades each represent a different continent. The \$2 sacrifice offering that you send along with your request for the WORLD MISSION ROSARY will help a missionary in his mission of aiding spiritually and physically the very people for whom you pray when you pray for the peace of the world.

Cut out this column, pin your sacrifice to it and mail it to Most Rev. Fulton J. Sheen, National Director of the Society for the Propagation of the Faith, 366 Fifth Avenue, New York 17, N.Y. or your Diocesan Director Rev. Geo. S. Wood, 50 Chestnut Street, Rochester 4, New York.

## Fashion Show, Day Of Devotion Set

Auburn — Plans for the annual Fashion Show of the Mothers Club of Holy Family Church are rapidly reaching completion according to Mrs. Edward T. Boyle, president. As

preparing for the Lenten season. After urging the members to make use of the parish library in greater numbers and after having suggested that they make others acquainted with the library, the speaker turned to the modern attitude toward Lent.

He said "Lent for many is losing its meaning. We are becoming soft. Instead of studying hints on how to live up our Lenten menus we should be willing to accept them in the spirit of the penitential season." Father Schnacky concluded his remarks by stating "We do not care if people have a good time, we want them to have a good Eternity."

Mrs. Boyle has designated the following committee members: Tickets, Mrs. John Crehan, chairman, Mrs. Milan J. Dodge, Mrs. Edward J. Byrne, Mrs. Raymond J. Wall, Jr.

### Prayers Urged To Prevent School Taxation

Board of directors of the Rochester Diocesan Council of Catholic Women met Sunday in the K of C Clubhouse in Geneva. The Rev. E. Leo M. Manus, spiritual moderator, encouraged the group in its work.

Mrs. Joseph E. Schnorr, member of the national board of directors, said that prayers have been asked of the organization that the bill pending in the California legislature for taxation of private schools should not be passed. She pointed out that this is a test case and that if the bill were passed, it would undoubtedly be "snowball" throughout the
