GOD LOVE YOU!

Souls are lost not Just because of the evil they have done,

but also because of the good they have left undone. Our Lord

implied this in His parable of the empty house, that was not

filled with virtue when evil was driven out. St. Paul also asks:

"How shall we escape if we neglect?" In his last Encyclical on

the Missions, the Holy Father asks if we who have the faith

are conscious of our responsibility to bring the faith to the

the other Viet Nam. Many Bishops from Central Africa who come

to our office tell us that each year they have to send away from

fifty to a hundred applicants for the priesthood, because they connot afford to educate them. From the Vicariate of Qui-Niron, in Viet Nam, we learn that if there were forly more priests there

would be one million converts within the next ten years. One

people, all of them quite poor, peopled their resources to purchase

a hundred Papal Flags as a sign of their carnest desire to become

Christians. An old pilest, a former Communist prisoner, numbers

his converts in terms of villages not persons. Within a period of

four months twenty villages have enrolled under his instructions.

WHAT HAPPENS THERE to some extent depends upon us. Only fiften dollars a resouth will educate and maintain a catech-

hi to instruct converts; a few hundred dollars will educate a

briest and build a chapet. Last year the Catholics of the United

Siates gave thirty cents each to the Holy Father for him to aid

all the Missions of the world. Many an American could sacri-

fite that much a day and never miss it. Why not give your souls a treat, by making an act of faith in the Vicar of Christ by sending him your sacrifices. These Sacrifices to the Holy Father are transmitted through his Society for the Propaga-

tion of the Faith which was founded for just that purpose.
