Atonement Friars Open 8th Mission In Yokohama

Eighth mission of the Graymoor Friars in the mission district of Yokohama Diocese, Japan was established when Bishop Lake K. Arai blessed the Mission of Our Mother of the Society of the Atonement at Montour Falls were informed this week.

The Bishop of Yokohama was assisted by the Very Rev. Albert Heald, S.M., Regional Superior of Graymoor Missions in Japan and Rev. Joseph Newell, S.A. The Society has been working in the Yokohama Diocese for the past ten years.

OUR MOTHER of Mercy is another of the designs of the noted priest-architect, Rev. Carl Freuler, S.M.B. Closely following the general theme of his other churches in Japan, Our Mother of Mercy is once again an attempt to achieve a blend of the native Japanese culture with western, Christian architecture.

Until recently, a good many of the Churches in Japan did not reflect the culture of the land, but were simply western style structures in a Japanese setting.

Our Mother of Mercy Mission is situated on a thoroughfare leading to Hoshi University where hundreds of students pass daily on their way to and from class. With the introduction of English and Inquiry Classes at the Mission, Our Mother of Mercy will soon be directing many of Japan's youth into the Catholic Church.
