GOD LOVE YOU!

By MOST REV. FULTON J. SHEEN

THE RECESSION IN THE UNITED STATES has had a tremendous effect on Asia and Africa. Because fewer automobiles are made in Detroit there is less sulfone for Lepers in Manila; because less molten steel is poured in Gary, there is little food for empty stomachs in Korea.

THE POOR AND THOSE WHO LIVE ON meager incomes are in need of support of the Missions. When the monthly pay checks do not come out as withdrawn, there is less material for sacrifice.

WITH A DECREASE OF SACRIFICE there is less available for the Holy Father to distribute. The only Mission aid that distributes to all the Missions comes from his Pontifical Society for the Propagation of the Faith. The less the good Christian people have to give the less the Vicar of Christ has to distribute. Each missionary society aids only its own members; it does not aid any other society. That is why the Holy Father, in the head of all the Missions has to have his own society to equalize distribution.

NOW THAT HE RECEIVES LESS what are the directors of his Society for the Propagation of the Faith to do? For the moment, we must turn to the rich who have money in the bank, stocks, property, income from investments—in a word, those who have anything more than just a paycheck. In your charity you have given generously, but have you ever given anything directly to the Holy Father? The sergeants, lieutenants and colonels in his army you have supported, but have you ever given to the Commander-in-Chief? Whatever you give to the Society for the Propagation of the Faith you give to him. No Bishop, no Director, no one may touch that money. We are only the trustees until it is put into his hands.

BY MAKING HIM THE OBJECT of your charity you will not only make a Father in him as the Vicar of Christ, you will be assured that every cent of it will go to the Missions in Africa, Oceania and Asia. You will be making converts in these lands and thus saving the conversion of your own soul.

BY RICH WE DO NOT MEAN millionaires; we mean anyone with a surplus that has become "unfathomable" and something of a "sacred cow." Break into your treasures. Give your soul a treat! Title the Holy Father, over the recession by making a sacrifice of what God Himself gave you. Then when the hard times are over, we will go back to the poor, many of whom sacrifice even in their poverty. By that time you will be "back in Spirit" and so happy that you will never cease to wonder that Jesus and Mary may be known and loved in poor lands.

GOD LOVE YOU to Mrs. T.S. for \$5 "in thanksgiving to St. Francis for a favor granted." ... to B.M. for "A small sacrifice" ... to Mrs. A.D. for \$100 "On my 21st Birthday, I received a large amount of money from a Trust Fund. I would like to make this donation to the Missions." ... to W.B.E. "Like all weak humans I am thinking my first extra five is going to the foreign missions! When you live from one pay check to another those extra five dollars don't happen. Then a brainstorm, why \$5? Slip a dollar out now, then every couple of days another dollar ... so here I am and I promise the dollars will keep coming!"

BY REASON OF THE FACT that you read this column you may have an interest in Missions. If you write to us and request our country plan pamphlet we will send it to you and show our interest in you.

Cut out this column, pin your sacrifice to it and mail it to Most Rev. Fulton J. Sheen, National Director of the Society for the Propagation of the Faith, 366 Fifth Avenue, New York 17, N.Y., or your Diocesan Director Rev. Geo. S. Wood, 50 Chestnut Street, Rochester 4, New York.
