## Pittsford Church Dedicated

Pittsford's new St. Louis church was formally dedicated Wednesday evening of this week.

Bishop Kearney said the prayers of the blessing ritual and then celebrated Mass at 6 p.m. to climax the suburban parish's three year expansion program.

Bishop John L. Wright of Worcester, Mass., gave the sermon at the dedication Mass.

"There have been vast changes in the world of politics and science since the days of thirteenth century King St. Louis, patron of this parish," Bishop Wright said, "but the Catholic faith as cherished has remained constant, unchanging from his day to ours."

The Worcester prelate said the zeal of the crusader king should be the motto of the new church.

Father Reddington, pastor of the Pittsford parish, said, "The new 20th century Catholic is 'sanctity on expediency; universality by devout observance of the gospel of Jesus Christ' according to the example given by the heroic St. Louis."

THE NEW \$375,000 church, located in the village of Pittsford, faces the recently completed parish school, built in 1951 at a cost of \$230,000.

Father Reddington, pastor of the Pittsford parish, said, "The new 20th century Catholic is 'sanctity on expediency; universality by devout observance of the gospel of Jesus Christ' according to the example given by the heroic St. Louis."

Other students may register at the laboratory headquarters at Our Lady of Mercy High School on June 13 and 14. A parent is expected to make the registration.

## Parishes Plan Catechetical Center Building

Four parishes in the towns of Gates and Chili will build a three room catechetical center adjacent to the new Gates-Chili central junior-senior high school on Wegman Rd., Gates.

The center will be used to instruct Catholic pupils attending the nearby public high school.

Construction of the \$50,000 structure awaits approval of the Gates-Zoning Board of Appeals. The board has scheduled a special meeting to review plans for the proposed center Wednesday evening, May 28, at 8 p.m.

Father John J. Steger, assistant pastor of St. Theodore's Church, Gates, introduced the plans for a center at the regular meeting of the zoning board this past Monday, May 19.

A reception will be held at his home, 375 Seneca Parkway, Sunday, June 8, 4 to 6:30 p.m.

Only junior high classes now attend the school. Additional classes will be added each year until the full six junior-senior high school program is in operation. At that time an estimated 1,800 Catholic pupils will be attending the Gates-Chili school.

Site of the new catechetical center is a tract of land recently acquired from Mr. and Mrs. Edward G. Meisenbach, 376 Wegman Rd.

The center will be a modern, fire proof building of faced red brick to match the just completed public school.

Father Steger said construction work will begin June 1 if the zoning board grants approval at the Wednesday meeting.
