

Student Named To Girls' State

Sue Maier, junior of Mercy High School, has been named to attend Empire Girls' State during the week of June 20-28.

Miss Maier, chosen by the faculty to represent Mercy, will be one of 275 girls to reside on the campus of State University Teachers College, New Paltz, N. Y.

Each day the delegates will go through the procedure of creating a new make-believe state. The girls are required to participate in various public debates, outdoor games, music, and varied entertainment have been planned for their enjoyment.

Scout Reward

CURVED BAR awards were presented to girls from three Girl Scout troops at separate ceremonies last Sunday. Photo at upper left shows Diane Manning and Joyce Finegan of Troop 99 at St. Andrew Parish. Upper right photo shows Marjorie Duerr, Diane Palmgreen and Roberta Reemers of Troop 132 at St. Salome Parish. Lower photo shows girls from Sacred Heart Cathedral. They are from left, front row, Kathy Hayes, Karen Reinagel, Leslie Leary, Patricia Nagle; second row, Janice Burke, Barbara Meara, Mary Miller, Catherine Gibbons; third row, Darlene Fox, Elaine Farman, Charlene Jarline, Kathy McMahon and Ann Kastner. Missing from photo are Margaret Sullivan and Joyce Mandrino.

St. John Fisher College Receives Science Grant

The department of biology has been notified by the National Science Foundation that St. John Fisher College is the recipient of a two year grant for the support of research studies in Mexico.

Dr. H. H. Arnett Jr. will be the principal investigator. Thomas S. Johnston of Yale University will aid Dr. Arnett. These studies are a continuation of the work initiated by Dr. Arnett last year under the support of the American Philosophical Society. Involving the distribution of certain insects in the Sonoran Desert of Southwestern Arizona and the state of Sonora, Mexico.

The project calls for two summers of collecting and recording of ecological data in these areas. The results of these observations will be incorporated in a scientific monograph on the subject being prepared by Dr. Arnett. THE NATIONAL SCIENCE FOUNDATION is a governmental agency established for the purpose of supporting research in the fields of physics, chemistry and biology, particularly studies in pure science under the direction of colleges and universities and similar non-profit institutions.

Penn Yan Mothers To Honor Graduates

The 13,000 mile St. John Fisher College Sonoran Desert Expedition during the Summer of 1957 yielded nearly 20,000 insect specimens which are now being studied by specialists throughout the United States and abroad as well as at St. John Fisher College.

The Mothers Club will also sponsor a graduation party at Mary Lou Restaurant, W. Lake Rd., Thursday June 19 for St. Michael's graduating class. Party will follow graduation exercises in church at 7 p.m.

Although no practical application of the results of the studies being made at St. John Fisher College is anticipated, it is presumed that such studies are a prelude to eventual and had development.

Stock Car Racing Weekend Schedule

Friday, June 13 — Monroe County Fairgrounds will feature late model racers in a 100-mile grid. NASCAR has put a \$4,200 purse for the event with \$800 going to the winner. Warmups at 7 p.m., racing at 8:15 p.m.

Saturday, June 14 — Spencer Speedway, Williamson now has 35 to 40 cars racing in the late model division each Saturday. Eight races scheduled. Warmups at 7 p.m., racing at 7:30 p.m.

Hollow Sympathy

A huge man got over the broken seal. All it registered was 20 pounds. Freddie, who happened to be looking on, gasped, "Good-night, he's hollow!"

Mr. Pepsi says
Summer vacation today is a far cry from yesterday.
Grandfather took a train or buggy to a nice resort. Then he'd stay put for the whole time!
Today we jump into the car and seek adventure wherever it may be. That's modern living.
Another nice thing about vacations, whether you take it in the back yard or on the road, you can always enjoy Pepsi Cola.
How's your supply right now? Do you have enough on hand for summer fun?
