GOD LOVE YOU!

By MOST REV. FULTON J. SHEEN

WE ARE FAMILIAR WITH the word Cathechism, but not so familiar with the word Catechist. A catechist is one who teaches religion in an area, to a group, preparing them for reception into the Church by a priest. Catechists do not work to any great extent in the United States though the need is imperative. On the average each priest in the United States has only three converts a year. If the laity were trained in their faith and zealous enough the number of converts per year in the United States would increase ten fold.

THE MISSIONS CANNOT EXIST without catechists, because priests are so lew for the harvest. Here is an example of how one small seed has grown into the mustard tree. Fifty years ago, two White Father missionaries on a brief visit trained and then left one catechist for the Alur country of Africa which at the time was wholly pagan. Today, in that area there are 80,000 Calholics. In one village last year there were 2,000 adult baptisms which equals the number of converts in some of our large cities.

HERE LIES AN OPPORTUNITY for the faithful to live up to the obligations of the Sacrament of Confirmation. Baptism incorporates us to Christ the King Who founded the Kingdorn of His Church; Holy Orders incorporates us to Christ the Priest Who sacrifices Himself for the sins of the world; Confirmation incorporates us to Christ the Teacher Who came into the world to "give testimony of the Truth."

CATHOLICS WHO REALIZE that Confirmation imprints an indelible character on their soul know that they are bound to spread the faith and make converts, in other words, to be Cathechists. If you have failed to fulfill the duties of Confirmation at home then hire a catechist to do so for you in the Missions. One can be hired for as little as \$20, a month. When you send your sacrifice to the Holy Father through his Society for the Propagation of the Faith he distributes it to the area of the world most in need. Thank you again and again for helping him spread the Faith.

GOD LOVE YOU to W.X.C. for \$40. "For Our Holy Father's Missions, hope it will do some good somewhere." to Little Margle for \$5. "I saved five dollars from my allowances and have decided to send it to you for the Missions."... to Miss E.B. for \$8 "I won this at my place of employment by making a suggestion for saving time and money—may it help to save a soul,"

WHEN YOU LEAVE FOR your summer vacation, do you leave behind an earring or cufflink that has lost its mate, gold eyegless frames, a ring or bracelet you no longer wear or old gold or jewelry you no longer use? Don't let them go to waste, they may help the missionaries in five continents. Just send them to us, we will resell them, and the money will be sent to the Holy Father to aid the poor and suffering in all mission

Cut out this column, pin your sacrifice to it and mail it to Most Rev. Fulion J. Sheen, National Director of the Society for the Propagation of the Faith, 366 Fifth Avenue, New York Ix, N.Y., or your Diocesan Director, Rev. George S. Wood, 50 Chistmut Street, Rochester 4, New York.
