

# Camp Columbus Clears Mortgage

Auburn—The annual meeting of the board of directors of Camp Columbus was highlighted by the gift of \$18,500 by John Bisgrove, president of the Red Star Express Lines. This sum represented the outstanding debts and mortgage on Camp Columbus which on July 13 of this year will observe its silver anniversary.

The announcement of the gift came in a dramatic fashion after the reading of the financial statement by Bisgrove.

He stated, "Monsignor Straub is having enough troubles and I would like to relieve him of this debt. He is a great man." The reference was to the Rt. Rev. Msgr. Frederick G. Straub, pastor of St. Alphonsus Church and founder of Camp Columbus.

THE 1958 meeting was the first time since the board of directors was organized 19 years ago that Monsignor Straub has been unable to attend as chairman of the board. He is a patient at Mercy Hospital where he has been since he suffered a hip fracture on Ascension Thursday.

Members of the 50 man board presented a check for Msgr. Straub in observance of his 45th anniversary in the priesthood. During the past week Monsignor Straub observed his 71st birthday.

New directors elected were Robert F. Schneider, Thomas Clifford and Francis Sargent. They replace outgoing members John D. Daly and George Esler who died during the past year and Dr. Edwin E. McCarthy who is leaving Auburn.

The camp located at Koenig's Point on the east shore of Oswego Lake opened Sunday for six one-week periods for boys' encampments, 100 boys from age 7 to the beginning of high school are in camp for the first period. Girls encampment starts Aug. 10 and continues for three one-week camping periods, ending Aug. 30.

NEW OFFICERS elected at the meeting are John Bisgrove, president; John D. Boedicker, vice president; James F. O'Neill, secretary; and Rev. Paul R. Schmacky, treasurer. Francis Marshall is the retiring president.

Shown here demonstrating the use of the life-saving device known as an "inhalator" is Norman Heuther of the ROCHESTER GAS AND ELECTRIC'S Gas Distribution Department. The RG&E has 4 of these inhalators available 24 hours a day to supply life-giving oxygen to victims of electric shock, drowning and asphyxiation, as well as to ease the breathing of pneumonia and heart patients. Since the RG&E began this life-saving service in 1925, the inhalators have been called out on emergencies more than 3,000 times. During these 28 years, they have been credited with saving and helping to save a great many lives. This is one more way in which the RG&E tries to make this community a better place in which to live.
