God Love You!

By MOST REV. FULTON J. SHEEN

HAVE YOU EVER MADE a convert? Have you loved your faith so much that it overflowed to make others share the joys of the Gospel? Could there not be spiritual birth-control as well as physical birth-control? If the spirit of a Catholic stiffens the generation of Christ in others, is it not serious as is the robbing of the earth of the fruit when the seed is planted?

TO THE MARRIED, THE SINGLE, and all the faithful will be asked on Judgment Day: "Where are your children?" Some will have to give account of the generation of the flesh and all must give account of the generation of the Spirit. Is the United States canonical-minded or evangelical-minded; does it consider only the sheep within its own fold or do we remember that Our Lord said: "Other sheep I have who are not of the fold?"

THE UNITED STATES has eleven times as many Catholics as South Korea but counts less than twice as many converts. The United States has fifteen times as many priests as South Korea. However, conversions in the United States number less than three per cent per year while in South Korea conversions number two hundred per priest per year.

BECAUSE THERE WAS NO ONE to teach them religion, four non-Christian villages 150 miles south of Seoul began a "do-it-yourself" conversion campaign. Now two thousand are ready for Baptism and many more are asking for instructions.

IF YOU HAVE NEVER HAD a convert, it would be well as priest or layman to begin making sacrifices to send missionaries or teachers of catechism to these areas. This can be done for about \$25 a month. Where could \$25 a month or any multiple of it be better spent to prepare for a happy eternity? What a joy on Judgment Day to learn that through our self-denial, converts will rise up to declare us blessed for aiding in giving them the faith. The question of where your sacrifices will be sent to make converts, will as always depend upon the Holy Father. When you give to the Society for the Propagation of the Faith you give to the Holy Father and by allowing him to decide where the sacrifice must be sent you bring upon yourself an extra blessing!

GOD LOVE YOU to H.K. for \$5 "To thank God for His many blessings." . . . to M.L.S. for \$5 . . . to M.A.B. for \$3. "I promised the Missions this sacrifice if I won a scholarship for high school, I did! . . . to J.P. for \$1.30 "From the fortunate for the unfortunate."

TAKE THE WHOLE WORLD in your hands. You can do just that if you pick up a WORLD MISSION ROSARY and circle the globe in prayer. For a sacrifice-offering of \$2 along with your request you can have a rosary on which you will remember to pray for all the Missions of the world because the multicolored beads remind you of the Mission continents.

Cut out this column, pin your sacrifice to it and mail it to Most Rev. Fulton J. Sheen, National Director of the Society for the Propagation of the Faith, 366 Fifth Avenue, New York 17, N.Y., or your Diocesan Director Rev. Geo. S. Wood 50 Chestnut Street, Rochester 4, New York.

ANCUSO FAMILY REUNION
The second annual reunion of the Ferdinando and Isabella Mancosco descendants will take place at Powder Mill Park on July 18. It is expected that four generations will be represented.

Next year's reunion brought 150 men, women and children together. That is less than half of the widely distributed family.

Inspired by the enthusiastic response and the large turnout for a reunion association formed, complete with a family unit representative, which meets at least four times a year. To defray organizational costs, each family unit meets monthly dues.

Organization boasts a news sheet issued quarterly which helps to reestablish contact that time has had in many instances.

The paper is now being mailed far West as California and East as Brooklyn.
