New Buildings

Workmen scaled ladders and scaffolds, mixed cement, and painstakingly put delicate artistic touches on altars as construction, expansion and renovation programs con-tinced in a score of Rochester Diocese Institutions this week.

These pictures by Courier Journal photographer Paul-Contestable add to last week's series of pictures shawing new buildings which will provide added facilities for worship and education in the Diocese,

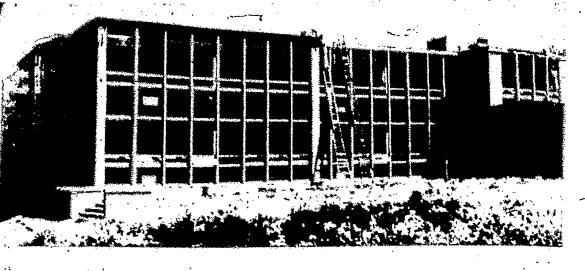

ST. BERNARD'S seminary chapel is currently undergoing a complete renovation. Workmen are shown decorating new niche above main altar for statue of the Blessed Virgin Mary.

GOOD SHEPHERD new school in Henrietta will be first parochial school in that rapidly growing suburb.

ANNUNCIATION all-new parochial school on Norton Street is scheduled for September opening.
