## GOD LOVE YOU!

By MOST REV. FULTON J. SHEEN

IT WAS NOT a Christian but a pagan, Terence, who said, "charity begins at home." Our Lord said that charity begins away from home. In the parable He praised the Good Samaritan for whom charity began with someone who was not of his race or country, one who was considered even an enemy!

OUR LORD'S FIRST SERMON to His own people in His own home town was about two Gentiles. His home-town people became so angry that they tried to throw Him off the brow of a hill. If charity did not begin away from home, the Son of God would never have left heaven and embraced the Cross in the foreign mission of the sinful earth.

ABRAHAM'S FAITH was tested by bidding him to leave his own country and kind and go into a strange country. Every bridegroom is Divinely bidden to leave father and mother and start the charity of marriage elsewhere than under the paternal roof.

MILLIONS OF DOLLARS are available at home and so few are given for the pagans who are without a knowledge of Christ their Savior and Redeemer. A little less ornateness at home could build twenty churches in Vietnam where converts run into the thousands even in a single parish. How would the Church in the United States have been built up if France and Germany in the early days said: "Charity begins at home." The Society for the Propagation of the Faith gave to the United States alone ten million dollars to build churches and schools. Is there not an obligation to be grateful for that gift?

AS SAINT PAUL SAID: "Charity does not claim its right!" It is ingratitude of the world. Really, charity begins with the Vicar of Christ. He must be provided with alms to aid all the missions. This is done through his Society for the Propagation of the Faith. All that you give to the Society you give to him. Send your sacrifices!

GOD LOVE YOU to Mrs. M. L. for \$70 "Three years ago on our 25th wedding Anniversary we received among other things these 70 silver dollars. I've been keeping them for memories' sake but after reading all those God Love You columns I have decided to send by 'hoarded silver' to the Missions. . . . to G.G. for \$2.40 "This is the price of a round-trip ticket to the city—I decided to stay home instead and enjoy the good country air. . . . to L.T. for \$4.20 "Trying to crush a bad habit with a good new one—this represents 14 days of 300 sacrifices of a package of cigarettes a day!"

IN SUMMERTIME as you enjoy the green countryside while taking a vacation drive through the country think of all the joys God has given you. Then take the WORLD MISSION ROSARY in hand and remember that the green beads represent the green hills and forest of Africa and pray for those who do not yet know the joys of loving God. For a sacrifice offering of \$2 and your request we will send you a WORLD MISSION ROSARY.

Cut out this column, pin your sacrifice to it and mail it to Most Rev. Fulton J. Sheen, National Director of the Society for the Propagation of the Faith, 366 Fifth Avenue, New York 1st, N.Y. or your Diocesan Director, Rev. George S. Wood, 50 Chestnut Street, Rochester 4, New York.

## Canada Pays \$400 Million To Families

Ottawa—(NC)—A total of \$437,886,559 was paid to Canadian mothers by the Federal Government for family allowances covering 2,418,910 children during the past year according to the annual report made in the House of Commons.

This represents an increase of \$40,368,720 over the previous year and an increase of 79,707 children for whom allowances are paid.

FAMILY allowances are suspended where it is found that children have not been attending school. There were only 3,769 children whose allowances were suspended last year. This was a decrease of 1,184 from the previous year, showing that family allowances have been effective in boosting school attendance.

Canada paid six dollars for each child up to the age of 10 each month and eight dollars for each child from 10 to 16 years of age. Allowances stop on the 16th birthday. Purpose of the allowances is to provide food and clothing for the children.
