

Dale Heads CYO Membership Drive

John A. Dale, executive director of the Rochester-Rehabilitation Commission, will be the general chairman of the 27th annual membership campaign of the Catholic Youth Organization. Bishop Kearney will be honorary chairman.

Announcement of Dale's acceptance of leadership and dates for the campaign were made yesterday by Rev. Eugene H. McFarland, director of the CYO. The general campaign will open Oct. 2 with a big "kick-off" dinner and close Oct. 16. The special committee will hold its first meeting Tuesday, Sept. 9 under the chairmanship of Martin F. Birmingham.

A COMPLETE organization of volunteer workers will canvass the area pointing out the advantages of CYO membership and particularly the part that membership support plays in providing a year-round program of supervised recreation for some thousands of young boys and girls.

Classes of membership include family, general, business, high school, grammar school and sponsored memberships. The last named are memberships in which the donor can make all CYO facilities including swimming, gymnasium, basketball and many other forms of wholesome recreation, available to deserving youngsters who could not otherwise afford it.

This year more than 6,000 boys and girls are participating in the benefits of CYO membership with attendance at various recreational programs expected to show a cumulative total of approximately 200,000 by Dec. 31.

OUR LADY OF SHILUVA

Lithuanians Will Mark Mary's Feast

Lithuanians throughout the United States will mark the 350th anniversary of the apparition of Our Lady in the town of Shiluva, Lithuania at special ceremonies this Sunday, Sept. 7.

St. George's Lithuanian Church, 545 Hudson Ave., Rochester, has scheduled special sermons at all the Masses Sunday to be climaxed by a solemn high Mass at 11 a.m., according to Father Frank Valukevicius, pastor.

The apparition took place at a time when Calvinists were in power in this little country in Central Europe. After Our Lady's appearance, many miracles took place at a shrine built by Catholics following Our Lady's wishes, until it became one of the most famous shrines in all Europe. It is known today as the "Lourdes of Lithuania," Father Valukevicius said.

Expectant Mothers Invited To Cathedral Blessing Rite

Expectant mothers will be given a special church blessing at Sacred Heart Cathedral following Rosary Guild services there Monday, Sept. 8 at 7:45 p.m.

The ceremony will comprise Rosary, Blessing of Mothers by Auxiliary Bishop Lawrence E. Casey and Benediction.

Bishop Casey said that mothers-to-be from city and suburban parishes are invited to attend the Cathedral rite to receive the blessing.

Bishop Casey will also confer a blessing with a relic of St. Gerard-Majella, and a blessed medal of the Saint will be given to each attending the blessing ceremony. St. Gerard is popularly called "the Mother's Saint."

The Rev. William M. Roche, associate superintendent of schools of the Diocese will speak. All non-parishioners attending the ceremony are invited to stay for the meeting.

THE RITUAL blessing to be given by Bishop Casey includes the prayer for mother and child:

"Receive the sacrifice of the contrite heart and the ardent desire of thy servant who humbly asks Thee for the welfare of the child which Thou didst grant her to conceive. Guard the work which is Thine and defend it from all the deceit and harm of our bitter Enemy, so that the hand of Thy mercy may assist her delivery, and her child may come to the light of day without harm, be kept safe for the holy birth of Baptism, serve Thee always in all things, and attain to everlasting life."

St. Mary's Freshmen Get 'Traditional Welcome'

Sixty-one new students found a "traditional welcome" at St. Mary's Hospital School of Nursing when they officially began their three-year training program on Wednesday.

Following registration, the freshmen met the faculty and Sisters at an informal reception in the hospital auditorium. The new student nurses are from six different high schools in Rochester and from 21 high schools in New York State and Pennsylvania.

THE ENTIRE student body of St. Mary's, now numbering 165, were the guests of the Sisters at a picnic supper on campus. Highlight of the event was the introduction of each new freshman to her "big sister," a member of the junior class. Wednesday evening the new Class of 1961 was entertained in the school auditorium by the class of 1960.

On Thursday afternoon, Bishop Kearney offered the Mass of the Holy Ghost in the school chapel, thus officially launching the school year. A two-week period of class orientation will follow for the 61 Freshmen, after which their regular Fall semester will begin.

EDITOR TO SPEAK: John Critchton, editor of Advertising Age magazine, will speak to members of the Rochester Advertisers at their first meeting of the season at 6:30 p.m., Tuesday, Sept. 9 in the University Club.

THE STORY of St. Patrick was told to those attending the parent-educator sponsored program at Assumption Church, Fairport by 3-year-old Maureen O'Brien. Holding the statue of Ireland's patron saint is her father, Michael, while Rev. Leonard A. Kelly, pastor, looks on.

Liturgy Program Conducted At Assumption, Fairport

Babies, youngsters and adults alike benefited from the liturgy program sponsored recently by the parent educator division of the Confraternity of Christian Doctrine, in Assumption parish, Fairport.

The purpose of the program is to assist parents in their task of teaching Religion in the home.

Eighteen parent-educator visitors have been busy delivering leaflets to parents of babies from the ages of three months to three years. The leaflets offer helpful suggestions for the teaching of religion to children in the home.

Because this living of the Church year with Christ is such an important part of religious education, the parent educators undertook a liturgical day project to acquaint parents with ways in which this can be done.

MRS. ANTHONY KELLY gave the opening address on "Liturgy in the Home" and was introduced by her husband, who acted as chairman of the program. Mr. and Mrs. Kelly are co-chairmen of the parent-educator division of the CCD.

The advent wreath made of greens with forty candles instead of seven representing a week of Advent, was displayed by Mrs. Margaret Murphy, secretary of the division.

Other projects which developed by the division were the Christmas liturgy with the Jesus Tree, Mrs. Albert Stoltz; the Christ Candle, Mrs. Julius Battaglini; the Christmas Crib, Mrs. Eleanor

Goyette, and New Year's Eve Party, Mrs. Paul Gerstner.

MRS. GLORIA HOYT demonstrated how the Lenten season can be done in the home with the "bean jar." Small beans are dyed purple, symbolizing penance. Little sacrifices are suggested for the children and each time they succeed in performing one faithfully, a bean is dropped into the jar marked for them.

Mrs. Hoyt also explained a project called "Jonah in the Whale" which acquaints the children with the story of Jonah as prefiguring the death and Resurrection of Christ.

Another Lenten project was the "Candelabra" made by Mrs. Helen Kelly which is used for making the Stations of the Cross at home. Mrs. Miles Agan exhibited a poppy seed cake, symbol of the resurrection of Christ.

Mrs. Eleanor Goyette showed how a love of the Holy Spirit and the true spirit of Pentecost can be cultivated in the home by using small table favors, bookmarks and placards with the gifts of the Holy Spirit, followed by an explanation of the gifts.

The Mass project worked out by Mrs. Patricia Wagner was of special interest since the Mass is the central point of the Liturgy.

THE FOLLOWING projects followed the Sacramental cycle of the Church year: Valentine's Day, Mrs. Kenneth Christian; St.

Patrick's Day, Mrs. Joan O'Brien; Mary Shriners, Mrs. Helen Bennett, Mrs. Mary Dovan and Mrs. Joan Arp; Halloween, Mrs. Mary Madelena, and apostle cookies, Mrs. Mathias Busch.

Three year old Maureen O'Brien "stole the show" by assisting her mother in explaining St. Patrick's feast day. As she stood on top of the desk before the microphone and gazed out at the vast audience before her, she spoke out forcefully in her tiny childlike voice, "I'm here today to tell you about St. Patrick."

Highlighting the program were two skits presented by the school children under the direction of Mrs. Arthur Frestino. One was a Christmas pageant portraying the true spirit of Christmas; the other skit demonstrated the Enhancement of the Sacred Heart in the home—a project for the month of June.

The program was concluded with a talk by the pastor, Rev. Leonard A. Kelly, under whose direction, with the aid of the Mission Helpers of the Sacred Heart, the Parent Educator program was made possible in the parish.

Benediction of the Most Blessed Sacrament was given by Rev. Richard A. Hart. Following the Benediction, informal visits were made to each of the exhibits while a parent-educator visitor explained more fully the project on display.

Rochesterian Volunteers Year's Teaching Role

Carol Anne Moynihan, a member of this year's graduating class of Trinity College, Washington, D.C., left last week for her first year of teaching in San Antonio, Texas.

MISS MOYNIHAN and seven other 1958 graduates of Trinity College responded to the appeal of the Most Rev. Stephen A. Leven, auxiliary Bishop of San Antonio and offered their services as teachers in the Catholic elementary schools of Texas for one year. Miss Moynihan has been assigned to St. Paul's school in San Antonio.

She is the daughter of Mr. and Mrs. Michael J. Moynihan, 2100 Highland Ave. and a graduate of the Academy of the Sacred Heart.

These young women will also give weekend religious instruction to the children and organize lay apostolate activities where no religious instruction has been available in the past.
