His Excellency  
MOST REV. LAWRENCE B. CASEY  
Auxiliary Bishop of Rochester

Sisters of St. Joseph  
St. Joseph's Hospital  
Elmira, New York

Dear Sisters:

It is a privilege to join with Bishop Kearney and the priests and people of the Diocese, particularly those of the Southern Tier, as St. Joseph's Hospital celebrates the Golden Jubilee of its foundation.

Many people, priests, nuns, doctors, nurses and others on the hospital staff through these fifty years, have worked together to help suffering humanity. Most of this work, its grandeur and its scope, is known but to God alone. However, He must be pleased by the story His servants have written for half a century and we believe that all the acts of charity and the prayers of those at St. Joseph's are recorded in the Book of Life.

If I could make a wish at this time, it would be that you keep the same wonderful spirit of kindness and cheerfulness that marks the work of all at St. Joseph's Hospital.

With a blessing, I am

Sincerely yours in Christ
