are taking another positive step toward world peace and international understanding. At the student hour assembly next Thursday, Oct. 16, the college ambassador program will be presented to the entire student body.

Feature of this program. which is one ophase of "The Experiment in International Living," is the sending by individual groups, such as Nazareth College, a student representative to some foreign country each year during surrimer vacation.

So far 15 colleges and universities in the United States have adopted this program. Nazareth College is the first Catholic college to give consideration to par-

GOD LOVE YOU!

By MOST REV. FULTON J. SHEEN

THE COMMUNISTS in China have lately directed much of their attention to the Church. Though the Catholics number less than 1 per cent of the total population of China the Communists declars that the Catholic Church is "Enemy No. 1." Recently they have fined to set up a so called "Patriotle Church" for two reasons: 11 "A love of souls" 21 "A need of filling the vacant dioreses with

NOW, IT MAY BE ASKED why do the Communists wh are materialists and who therefore deny the existence of a soul, say they have a "love of souls?" Second, as the Holy Father potnied out, how did these dioceses become "vacant" By perseculion, exile and martyrdom!

WHAT THEN IS the purpose behind the soft words of the Communists? The total destruction of the Church by setting up a Church with the same Creed and the same Sacraments, but, and this is important, separated, isolated and disjoined from the Holy Father, the Vicar of Christ' They will keep, the branches but not the vine, because they know the branches will die; They will keep the body but not the head, for they know that eventually such a body will die they will keep the rays of the sun, but not the sun, that the world may eventually period in darkness.

THIS IS WHAT the Communists are doing for love of soirls." But what are we doing, naterially and spiritually? Materially what sacrifices do the Catholies of the United States make for the spiritual truth of the Primacy of Peter? Last year, the Catholies of the United States gave the Holy Father 30c aplece, for the entire year or the equivalent of a package of eigarettes. But the per capita expenditure on eigarettes was \$38 and \$56 was the per capita expenditure on alcohol for the Year,

THE ONLY DOCTRINE of the Church presently denied by the Communists is that of the Primary of Peter. Then why do not we concentrate our players and sarrifices on that belief? We will travel four thousand miles to see the Vicar of Christ, but not put four thousand cents into his hands for the propagation of the Falth in Mission lands. The Lord will bless you for aiding other causes and particular groups or societies, but he will bless you more for making a sacrifice directly to the cause of the Church universal, for all missions, all missionaries, all places. You do this whenever you sacrifice for the Pontifical Society for the Propagation of the Falth.

IF YOU BELIEVE that the Mystical Body cannot live without a Head, then translate the act of faith into charity and sacrifice by sending your sacrifices to your Diocesan Director or the National Director.

GOD LOVE YOU to M.D. for \$7.50 "I received this money for serving Masses and Weddings. I hope someday I will be able to say Mass where this is going but in the meantime Let it help some poor priest who will pray for my intentions." ... to Mrs. C.F. for \$5 "I was saving this for some new shoes but I can make the old ones do for a while longer." . . . O.D.O'D. for \$1 "For no special reason except that I want to help a little."

ON THE WHITE DECADE of the WORLDMISSION ROS-ART you can pray for Europe and for the Shepherd in white. the Holy Father who as the Vieur of Christ is denied by the Communists who attack the Primacy of Peter For a sacrifice offering of \$2 we will send the Rosary at your request.

Cut out this column, pin your sacrifice to it and mail it to Most Rev. Fulton J. Sheen, National Director of the Society for the Propagation of the Faith, 366 Flith Avenue, New York Ix, N.Y. or your Diocesan Director, Rev. George S. Wood, 50 Chestnut Street, Rochester 4, New York.
